as only true life and death struggles can be Papillon fighting through the jungles of Guiana only to commit himself to the open ocean in a sixteen foot boat rather than face a life in exile Rocky Gause dodging bullets as he swims through shark infested waters to escape the Japanese at Bataan while those around him simply quit Latude battling against the dreaded Bastille Baron Trenck with chains covering almost every inch of his body digging and digging to free himself from wrongful imprisonment Andre Devigny so weak from starvation and poor treatment that he could barely lift himself shimmying across a rope only yards above a German sentry during World War II on the eve of his execution These are just a few of the twenty five bold and ingenious tales of escape included in this collection *The Greatest Escape Stories Ever Told* will hold readers captive for years to come [Classic Survival Stories](#) Lamar Underwood,2004 *Dissecting Stephen King* Heidi Strengell,2005 In a thoughtful well informed study exploring fiction from throughout Stephen King s immense oeuvre Heidi Strengell shows how this popular writer enriches his unique brand of horror by building on the traditions of his literary heritage Tapping into the wellsprings of the gothic to reveal contemporary phobias King invokes the abnormal and repressed sexuality of the vampire the hubris of Frankenstein the split identity of the werewolf the domestic melodrama of the ghost tale Drawing on myths and fairy tales he creates characters who like the heroic Roland the Gunslinger and the villainous Randall Flagg may either reinforce or subvert the reader s childlike faith in society And in the manner of the naturalist tradition he reinforces a tension between the free will of the individual and the daunting hand of fate Ultimately Strengell shows how King shatters our illusions of safety and control King places his decent and basically good characters at the mercy of indifferent forces survival depending on their moral strength and the responsibility they may take for their fellow men
