## **Tales Of A Country Cop In Africa:**

*Tales of a Country Cop in Africa* Michael James Jaquish,2001-04 The book traces the experiences of a small town cop in rural America who following a divorce retires from a career in law enforcement to pursue a career in international diplomatic security and intelligence in Liberia West Africa which explodes into savagery and revolution shortly after his arrival

**Tales from Africa** Douglas Collins,1995      **Beyond Courage** Michael James Jaquish,2010-07-21 A fascinating peek inside the mind of one seeking to rescue the world from its own insanity Following a career in domestic law enforcement the author traveled to Liberia in West Africa to run US Embassy diplomatic security operations Before he could get his bearings he found himself engulfed in bloody civil war in Liberia that exposed him to horrors that would stretch the boundaries of believability to the limits His struggles to adapt and survive the revolution in Liberia and the two that awaited him in Gambia and Sierra Leone altered the way he viewed the world forever He shares that evolution of perspective in this memoir with incredible imagery and thought provoking detail and analysis      *KADUNA: A Tale of an African Mafia* ,      *The Orphan of Novogorod, an Illyrian Tale by an Ex-officer of the British Commissariat* [Anonymus AC10172784],1841      **A Real Tale of the Hijack (1981)** Umesh Saxena,2018-04-26 An aeroplane of a scheduled flight hits an Army truck on landing at night It is seized by 44 hardcore mercenaries who after having failed in a coup against the government of Seychelles use the bruised and unairworthy aeroplane with 65 passengers as their getaway They force the crew to fly them out to then apartheid land of South Africa an unknown destination for the crew The crew obeys the orders of hijackers and handles the situation with a great sense of proficiency and end the ordeal of the passengers and crew This is a first hand narration of a hijack by the pilot of the flight himself      **The Adventures of Dick Maitland: A Tale of Unknown Africa** Harry Collingwood,2007-01-01

**List of Books in the School Reference Collection** Public Library of Brookline,1902      *A Tale of a Man, a Worm and a Snail* Alan Fenwick,Wendie Norris,Becky McCall,2021-12-14 Schistosomiasis is Africa s second most common parasitic disease Less than 20 years ago over 200 million were infected In many high risk areas the Schistosomiasis Control Initiative SCI has been helping to tackle the disease by offering treatments to millions of children This book tells the story of a man Alan Fenwick who founded the SCI to control the worms and snails and so improve the lives of many burdened with the disease as well as reducing the numbers infected Over this period SCI and the Ministries of Health and Education in 16 countries delivered over 220 million treatments Treatment coverage of up to 75% has been achieved Widely recognised as a cost effective and successful intervention SCI s knock on effects include improving overall physical health school attendance and future prospects for millions of people      *Tale of an African Woman* Thomas Jing,2008-01-15 The village of Yakiri has been cursed by ancestral wrath because of the treatment of Yaa the first girl who wrestled her male goatherd peers to earn the right to be initiated into the society of manhood Her struggle is taken up generations later by Yaya the granddaughter of Tafa and Wirba Orphaned like her forebear Yaya becomes a star student in the village s primary school and promises to go

far But ask the villagers is it right to invest in an education for an African girl who may become the property of another village An educated woman will abandon the farm where she is needed wear high heels and try to order men around In the midst of it all one Irish missionary living in Africa and for the most time with Africans literally wiggles his way into hearts and minds With his intervention Yaya leaves the village to school in the city but her troubles as a woman have not really begun Yarns of cultural borrowing indigestion and transcendence reveal the simple and complex ways in which community matters are confronted and decided This happens in shrines where seers are consulted and cowry shells thrown in palm wine houses but also around the school and presbytery The untold stories and perspectives of girls and women burst through in illuminating and uplifting ways Quarrels squabbles near collisions and mutual conversions give way to innovative traditions

**Strange Tales from the African Bush** Hannes Wessels,2007-01-01 Hannes Wessels is one of the most talented writers that we at Safari Press have read in a long time This former PH in Tanzania Zambia and Zimbabwe writes tales of hapless figures and derring do gone wrong that will make you laugh out loud a rarity in the cut and dry genre of big game hunting There is the story about a PH who wanted to impress the beautiful daughter of a client and landed up in the emergency room with a rifle barrel stuck up his posterior and the story of a game warden who fell into a hollowed out baobab tree on top of a sleeping leopard This same unfortunate warden in a further misadventure is deprived of some of his very sensitive private parts during an elephant cull probably just to prove that a run of bad luck does not necessarily have to end Wessels also weighs in on his own experience when he tells of being seriously gored by a buffalo Whether telling the story of rafting down an uncharted river to set up a new safari camp or highlighting the experiences of a PH such as Lew Games you will find Wessels s stories so entertaining that you ll be sorry when the book ends All of Hannes Wessels s stories are great reading as attested by the number of his articles published in Outdoor Life Sports Afield and other major magazines One of our readers wrote Thanks for recommending Strange Tales I chortled and laughed and cried and had to stop reading while on the flight from Reno to Chicago not because the flights were messed up which they were but because the book was so funny
