**Tales From Scottish Ballads** Elizabeth W. Grierson, 2019-12-10 In *Tales From Scottish Ballads* Elizabeth W. Grierson masterfully curates a collection of traditional Scottish ballads weaving together oral histories that span generations. Her prose is rich and evocative, capturing the lyrical cadence inherent in these ballads which often explore universal themes of love, tragedy, and heroism within the historic and cultural tapestry of Scotland. Grierson's literary style showcases a deep appreciation for the rhythmic qualities of the ballads while providing insightful commentary that contextualizes their significance in Scottish folklore and identity. Elizabeth W. Grierson, a noted scholar in Scottish literature, possesses a profound connection to her subject matter, shaped by her own Scottish heritage and academic background. Her in-depth research and passion for preserving the oral traditions of her ancestors inform her narrative choices, revealing both the historical context of the ballads and the personal stories they convey. Grierson's commitment to amplifying marginalized voices through these tales underscores her broader mission of cultural preservation. This enchanting collection is a must-read for enthusiasts of folklore, musicology, and those fascinated by Scottish culture. Grierson's eloquent storytelling and analytical insights will resonate with anyone eager to explore the rich literary tradition of Scotland, making it an essential addition to both academic and personal libraries. **Hero Tales and Legends of the Rhine** Lewis Spence, 1995-01-01 Rich collection of tales inspired by the mystery and romance of one of the most storied rivers in Europe. Includes the *Nibelungenlied* as well as legends of Odin, Brunhild, and many more. 24 illustrations.

The Press and the People Adam Fox, 2020-09-01 *The Press and the People* is the first full-length study of cheap print in early modern Scotland. It traces the production and distribution of ephemeral publications from the nation's first presses in the early sixteenth century through to the age of Burns in the late eighteenth. It explores the development of the Scottish book trade in general and the production of slight and popular texts in particular. Focusing on the means by which these works reached a wide audience, it illuminates the nature of their circulation in both urban and rural contexts. Specific chapters examine single-sheet imprints such as ballads and gallows speeches, newsheets, and advertisements, as well as the little

pamphlets that contained almanacs and devotional works stories and songs The book demonstrates just how much more of this literature was once printed than now survives and argues that Scotland had a much larger market for such material than has been appreciated By illustrating the ways in which Scottish printers combined well known titles from England with a distinctive repertoire of their own The Press and the People transforms our understanding of popular literature in early modern Scotland and its contribution to British culture more widely

**Fairy Tales** Various Authors,1894 It happened that the five Kings of Ireland met to determine who should have the head kingship over them and King Lir of the Hill of the White Field expected surely he would be elected When the nobles went into council together they chose for head king Dearg son of Daghdha because his father had been so great a Druid and he was the eldest of his father s sons But Lir left the Assembly of the Kings and went home to the Hill of the White Field The other kings would have followed after Lir to give him wounds of spear and wounds of sword for not yielding obedience to the man to whom they had given the over lordship But Dearg the king would not hear of it and said Rather let us bind him to us by the bonds of kinship so that peace may dwell in the land Send over to him for wife the choice of the three maidens of the fairest form and best repute in Erin the three daughters of Oilell of Aran my own three bosom nurslings So the messengers brought word to Lir that Dearg the king would give him a foster child of his foster children Lir thought well of it and set out next day with fifty chariots from the Hill of the White Field And he came to the Lake of the Red Eye near Killaloe And when Lir saw the three daughters of Oilell Dearg the king said to him Take thy choice of the maidens Lir I know not said Lir which is the choicest of them all but the eldest of them is the noblest it is she I had best take If so said Dearg the king Ove is the eldest

and she shall be given to thee if thou wilt So Lir and Ove were married and went back to the Hill of the White Field And after this there came to them twins a son and a daughter and they gave them for names Fingula and Aod And two more sons came to them Fiachra and Conn When they came Ove died and Lir mourned bitterly for her and but for his great love for his children he would have died of his grief And Dearg the king grieved for Lir and sent to him and said We grieve for Ove for thy sake but that our friendship may not be rent asunder I will give unto thee her sister Oifa for a wife So Lir agreed and they were united and he took her with him to his own house And at first Oifa felt affection and honour for the children of Lir and her sister and indeed every one who saw the four children could not help giving them the love of his soul Lir doted upon the children and they always slept in beds in front of their father who used to rise at early dawn every morning and lie down among his children But thereupon the dart of jealousy passed into Oifa on account of this and she came to regard the children with hatred and enmity One day her chariot was yoked for her and she took with her the four children of Lir in it Fingula was not willing to go with her on the journey for she had dreamed a dream in the night warning her against Oifa but she was not to avoid her fate And when the chariot came to the Lake of the Oaks Oifa said to the people Kill the four children of Lir and I will give you your own reward of every kind in the world But they refused and told her it was an evil thought she had Then she would have raised a sword herself to kill and destroy the children but her own womanhood and her weakness prevented her so she drove the children of Lir into the lake to bathe and they did as Oifa told them Scottish Wonder Tales
