Wolfgang Guggemos

Tales Of A Shirtmaker A Jewish Upbringing In North Carolina:

Tales of a Shirtmaker Frederick L. Block,2005 A Jewish garment manufacturer s memoir of growing up and living in a small Southern U S city accompanied by many photographs and documents **Tales of a Shirtmaker** Frederick L. Block,2017-11-28 Excerpt from Tales of a Shirtmaker A Jewish Upbringing in North Carolina William Block was close to and possibly distantly related to a community of Jews from Riga who lived in and around Baltimore Maryland whose surnames Included Herman Millison and Weiner The Millison family name was originally Levine but the first member to reach Baltimore bought a peddler business from a man named Milli son Wishing to save money he forewent a new license and simply became Mr Millison About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Literary Trails of Eastern North Carolina** Georgann Eubanks,2013-04-01 This concluding volume of the Literary Trails of North Carolina trilogy takes readers into an ancient land of pale sand dense forests and expansive bays through towns older than our country and rich in cultural traditions Here writers reveal lives long tied to the land and regularly troubled by storms and tell tales of hardship hard work and freedom Eighteen tours lead readers from Raleigh to the Dismal Swamp the Outer Banks and across the Sandhills as they explore the region s connections to over 250 writers of fiction poetry plays and creative nonfiction Along the way Georgann Eubanks brings to life the state s rich literary heritage as she explores these writers connection to place and reveals the region s vibrant local culture Excerpts invite readers into the authors worlds and web links offer resources for further exploration Featured authors include A R Ammons Gerald Barrax Charles Chesnutt Clyde Edgerton Philip Gerard Kaye Gibbons Harriet Jacobs Jill McCorkle Michael Parker and Bland Simpson Literary Trails of North Carolina is a project of the North Carolina Arts Council **Carolina Beach** Elaine Blackmon Henson,2007 Carolina Beach North Carolina has been a destination for beachgoers boaters and fishermen since the 1880s Visitors came first by the combination of river steamers and a train and later by automobiles to seek respite from the summer s heat and the daily grind This book shares the history of this seaside community through the postcards its visitors sent home From the early handcolored cards printed in Germany to the modern chrome cards of today we see the people and places of Carolina Beach **The North Carolina Historical Review** ,2006

Down Home Leonard Rogoff,2010-04-15 A sweeping chronicle of Jewish life in the Tar Heel State from colonial times to the present this beautifully illustrated volume incorporates oral histories original historical documents and profiles of fascinating individuals The first comprehensive social history of its kind Down Home demonstrates that the story of North

Carolina Jews is attuned to the national story of immigrant acculturation but has a southern twist Keeping in mind the larger southern American and Jewish contexts Leonard Rogoff considers how the North Carolina Jewish experience differs from that of Jews in other southern states He explores how Jews very often settled in North Carolina s small towns rather than in its large cities and he documents the reach and vitality of Jewish North Carolinians participation in building the New South and the Sunbelt Many North Carolina Jews were among those at the forefront of a changing South Rogoff argues and their experiences challenge stereotypes of a society that was agrarian and Protestant More than 125 historic and contemporary photographs complement Rogoff s engaging epic providing a visual panorama of Jewish social cultural economic and religious life in North Carolina This volume is a treasure to share and to keep Published in association with the Jewish Heritage Foundation of North Carolina Down Home is part of a larger documentary project of the same name that will include a film and a traveling museum exhibition to be launched in June 2010 [Jewish Roots in Southern Soil](#) Marcie Cohen Ferris, Mark I. Greenberg, 2006 A lively look at southern Jewish history and culture **American Book Publishing Record**, 2005 [Homelands](#) Leonard Rogoff, 2007-09 Homelands blends oral history documentary studies and quantitative research to present a colorful local history with much to say about multicultural identity in the South Homelands is a case study of a unique ethnic group in North America small town southern Jews Both Jews and southerners Leonard Rogoff points out have long struggled with questions of identity and whether to retain their differences or try to assimilate into the national culture Rogoff shows how as immigrant Jews became small town southerners they constantly renegotiated their identities and reinvented their histories The Durham Chapel Hill Jewish community was formed during the 1880s and 1890s when the South was recovering from the Reconstruction era and Jews were experiencing ever growing immigration as well as challenging the religious traditionalism of the previous 4 000 years Durham and Chapel Hill Jews recent arrivals from the traditional societies of eastern Europe assimilated and secularized as they lessened their differences with other Americans Some Jews assimilated through intermarriage and conversion but the trajectory of the community as a whole was toward retaining their religious and ethnic differences while attempting to integrate with their neighbors The Durham Chapel Hill area is uniquely suited to the study of the southern Jewish experience Rogoff maintains because the region is exemplary of two major trends the national population movement southward and the rise of Jews into the professions The Jewish peddler and storekeeper of the 1880s and the doctor and professor of the 1990s Rogoff says are representative figures of both Jewish upward mobility and southern progress [A Tailor in Auschwitz](#) David van Turnhout, Dirk Verhofstadt, 2022-09-22 David Van Turnhout and Dirk Verhofstadt traced the story of David s Jewish grandfather Ide Leib Kartuz Fleeing from antisemitism and violence he came to Antwerp in 1929 and set up business as a tailor The family he left behind ended up in the ghetto of Radomsko Each and every member of the family was gassed at Treblinka In Belgium Kartuz joined the resistance movement but was arrested by the Nazis in 1942 and deported to Auschwitz On arrival there his wife and two children immediately died

a horrible death He survived in a unit of tailors where he repaired camp clothing and SS guards uniforms sometimes receiving special orders from SS officers Kartuz endured an inhuman death march to Mauthausen After the war back in Antwerp he made tailored suits for bankers and other business people His final battle was against the Belgian state for recognition as a Belgian citizen member of the resistance and war victim Very few people realise how difficult it was for Jewish people to survive after liberation The authors dig deep into the core of the Holocaust and investigate every trail from Radomsko to Miami In the Auschwitz archives they discover unpublished witness statements by tailors in Block 1 And completely unexpectedly they also discover a cousin of Ide s living in Florida She had survived as a child by hiding in an attic in Brussels and speaks for the first time about those dark days It took the authors a year to wind their questing way through important discoveries and setbacks but in this tribute an unknown piece of history has finally been given a face

Himmler's Jewish Tailor Jacob Frank,Mark Lewis,2000-02 Based on Mark Lewis s taped interviews with Jacob Frank Contains primary source material *A Guidebook to South Carolina Historical Markers* ,2021-02-19 The South Carolina Historical Marker Program established in 1936 has approved the installation of more than 1 700 interpretive plaques each highlighting how places both grand and unassuming have played important roles in the history of the Palmetto State These roadside markers identify and interpret places valuable for understanding South Carolina s past including sites of consequential events and buildings structures or other resources significant for their design or their association with institutions or individuals prominent in local state or national history This volume includes a concise history of the South Carolina Historical Marker Program and an overview of the marker application process For those interested in specific historic periods or themes the volume features condensed lists of markers associated with broader topics such as the American Revolution African American history women s history the Civil War and Reconstruction While the program is administered by the South Carolina Department of Archives and History most markers are proposed by local organizations that serve as a marker s official sponsor paying its cost and assuming responsibility for its upkeep In that sense this inventory is a record not just of places and subjects that the state has deemed worthy of acknowledgment but of those that South Carolinians themselves have worked to enshrine **The Ever-Dying People?** Robert Brym,Randal F. Schnoor,2023-02-27 Demise by assimilation or antisemitism is often held to be the inevitable future of Jews in Canada and other diaspora countries The Ever Dying People shows that the Jewish diaspora while often held to be in decline is influenced by a range of identifiable sociological and historical forces some of which breathe life into Jewish communities including Canada s Bringing together leading Canadian and international scholars The Ever Dying People provides a landmark report on Canadian Jewry based on recent surveys censuses and other contemporary data sources from Canada and around the world This collection compares Canada s Jews with other Canadian ethnic and religious groups and with Jewish communities in other diaspora countries including the United States the United Kingdom France and Australia It also sheds light on social divisions within

Canadian Jewry across cities sub ethnic groups denominations genders economic strata and political orientations These bases of comparison usefully explain variation in a wide range of sociological phenomena including ethnic identity religiosity acculturation intermarriage discrimination economic achievement and educational attainment

Buying a Bride Marcia A. Zug, 2016-06-07 There have always been mail order brides in America but we haven't always thought about them in the same ways In *Buying a Bride* Marcia A Zug starts with the so called Tobacco Wives of the Jamestown colony and moves all the way forward to today's modern same sex mail order grooms to explore the advantages and disadvantages of mail order marriage It's a history of deception physical abuse and failed unions It's also the story of how mail order marriage can offer women surprising and empowering opportunities Drawing on a forgotten trove of colorful mail order marriage court cases Zug explores the many troubling legal issues that arise in mail order marriage domestic abuse and murder breach of contract fraud especially relating to immigration and human trafficking and prostitution She tells the story of how mail order marriage lost the benign reputation it enjoyed in the Civil War era to become more and more reviled over time and she argues compellingly that it does not entirely deserve its current reputation While it is a common misperception that women turn to mail order marriage as a desperate last resort most mail order brides are enticed rather than coerced Since the first mail order brides arrived on American shores in 1619 mail order marriage has enabled women to improve both their marital prospects and their legal political and social freedoms *Buying A Bride* uncovers this history and shows us how mail order marriage empowers women and should be protected and even encouraged
