Tales of the Natural and Supernatural Mario Pei,1971 Fourteen creative and entertaining stories of medieval lore eerie suspense and futuristic intrigue by a contemporary linguist and master of language **Natural and Supernatural Tales** Paul Baker, 2018-03-29 A collection of eclectic tales some of which are Natural easy to believe the tale occurred exactly as described Other tales involve Supernatural events Some Supernatural tales occurred exactly as described In some cases the author completed an incomplete tale And no the author does not reveal which parts of tales are fiction All the tales Chicorel Index to Short Stories in Anthologies and Collections ,1974 examine the spiritual side of reality the Gothic Ruth Heholt, Joanne Ella Parsons, 2025-09-16 Ghosts have long been connected with the Gothic but until now there has not been a book dedicated to the subject This collection examines ghostly presences and absences in both classic and lesser known Gothic texts from the beginning of the genre to the present in a global context Arguing that the undead in the form of ghosts are intrinsic to the Gothic mode essays in the collection question the place of manifested spirits The Gothic has always been political and essays in this collection examine some of the most relevant issues facing us today from the destruction of the natural environment to questions of freedom to gender politics Charlotte Perkins Gilman's the Yellow *Wall-paper and the History of Its Publication and Reception* Julie Bates Dock, 2010-11-01 Spirits of the Wild: Paranormal Phenomena in Nature Vikki Strack, The call of the wild is a powerful force It beckons us to the untamed spaces to the places where the earth breathes its ancient breath But within those wild spaces there lies another story a tale whispered on the wind carried by the rustling leaves and etched into the very fabric of the land It is the story of the spirits of the wild the unseen forces that linger in the shadows the echoes of the past that linger long after their physical forms have faded This book is a journey into that world of whispers and shadows an exploration of the paranormal phenomena that haunt the natural world It is a testament to the power of folklore the tales passed down through generations weaving together the fabric of our understanding of the world It is a testament to the enduring mystery of nature the secrets that lie hidden in the twilight the unseen forces that shape our world In these pages we will venture into the heart of haunted forests where the air is thick with the scent of decay and the sound of whispers We will encounter the spectral animals that prowl the wilderness the ghosts of creatures that once roamed free We will uncover the eerie legends that cling to ancient trails the tales of spirits bound to the land This is not a book for the faint of heart It is a journey into the realm of the unknown where the boundaries between the real and the unreal blur It is a book for those who are willing to question to explore and to embrace the mystery that lies within nature s embrace The Folktale Stith Thompson, 1977 As interest in folklore increases the folktale acquires greater significance for students and teachers of literature The material is massive and scattered thus few students or teachers have accessibility to other than small segments or singular tales or material they find buried in archives Stith Thompson has divided his book into four sections which permit both the novice and the teacher to examine oral tradition and

its manifestation in folklore The introductory section discusses the nature and forms of the folktale A comprehensive second part traces the folktale geographically from Ireland to India giving culturally diverse examples of the forms presented in the first part The examples are followed by the analysis of several themes in such tales from North American Indian cultures The concluding section treats theories of the folktale the collection and classification of folk narrative and then analyzes the living folklore process This work will appeal to students of the sociology of literature professors of comparative literature and Nature's Mysteries Alfred Percy Sinnett, 1901 general readers interested in folklore Fairy Tales, Natural History and Victorian Culture Laurence Talairach-Vielmas, 2015-12-04 Fairy Tales Natural History and Victorian Culture examines how literary fairy tales were informed by natural historical knowledge in the Victorian period as well as how popular science books used fairies to explain natural history at a time when nature became a much debated word Christy Tidwell, Carter Soles, 2021-05-10 Ecohorror represents human fears about the natural world killer plants and animals catastrophic weather events and disquieting encounters with the nonhuman Its portrayals of animals the environment and even scientists build on popular conceptions of zoology ecology and the scientific process As such ecohorror is a genre uniquely situated to address life art and the dangers of scientific knowledge in the Anthropocene Featuring new readings of the genre Fear and Nature brings ecohorror texts and theories into conversation with other critical discourses The chapters cover a variety of media forms from literature and short fiction to manga poetry television and film The chronological range is equally varied beginning in the nineteenth century with the work of Edgar Allan Poe and finishing in the twenty first with Stephen King and Guillermo del Toro This range highlights the significance of ecohorror as a mode In their analyses the contributors make explicit connections across chapters question the limits of the genre and address the ways in which our fears about nature intersect with those we hold about the racial animal and bodily other A foundational text this volume will appeal to specialists in horror studies Gothic studies the environmental humanities and ecocriticism In addition to the editors the contributors include Kristen Angierski Bridgitte Barclay Marisol Cortez Chelsea Davis Joseph K Heumann Dawn Keetley Ashley Kniss Robin L Murray Brittany R Roberts Sharon Sharp and Keri Stevenson American Literature, 1607-1885 Charles Francis Richardson, 1888 Mysteries of Ontario John Robert Colombo, 1999-05 This book brings together some 500 accounts of strange events and eerie experiences in the province Intelligence, Creativity and Fantasy Mário S. Ming Kong, Maria do Rosário Monteiro, Maria João Pereira Neto, 2019-09-30 The texts presented in Proportion Harmonies and Identities PHI INTELLIGENCE CREATIVITY AND FANTASY were compiled with the intent to establish a multidisciplinary platform for the presentation interaction and dissemination of research The aim is also to foster the awareness and discussion on the topics of Harmony and Proportion with a focus on different visions relevant to Architecture Arts and Humanities Design Engineering Social and Natural Sciences and their importance and benefits for the sense of both individual and community identity The idea of modernity has been a significant motor for development since the Western

Early Modern Age Its theoretical and practical foundations have become the working tools of scientists philosophers and artists who seek strategies and policies to accelerate the development process in different contexts **Literature 1607-1885** ,1886 The Heroic Age Hector Munro Chadwick, 1912 **Haunted Toronto** John Robert Colombo, 1996-09-01 Haunted Toronto is a book about the ghosts and spirits that haunt or are said to haunt houses and other Creating Romantic Obsession Kathleen Béres Rogers, 2019-03-29 Most of us have at one time been obsessed with something but how did obsession become a mental illness This book examines literary medical and philosophical texts to argue that what we call obsession became a disease in the Romantic era and reflects the era s anxieties Using a number of literary texts some well known like Mary Shelley s 1818 Frankenstein and Edgar Allan Poe s 1843 The Tell Tale Heart and some not like Charlotte Dacre's 1811 The Passions and Charles Brockden Brown's 1787 Edgar Huntly the book looks at vigilia an overly intense curiosity intellectual monomania an obsession with study nymphomania and erotomania gendered forms of desire revolutiana an obsession with sublime violence and military service and ideality an obsession with an idea The coda argues that traces of these Romantic constructs can be seen in popular accounts of Margaret Oliphant's Curative Gothic Literature Katerina García-Walsh, 2025-11-06 Prolific Scottish obsession today novelist Margaret Oliphant 1828 1897 remembered chiefly for her realist fiction and biting literary criticism of contemporary authors also wrote nineteen supernatural tales This monograph offers a comprehensive exploration of Oliphant's Gothic literature in the light of her religious beliefs cultural context and experiences of death and mourning as she survived her husband and all six of her children Oliphant's stories set in the afterlife depict the dead as inhabiting a new existence characterised by spiritual growth while her tales set on earth attempt contact between the mortal and immortal planes Garc a Walsh illustrates Oliphant's unique theological conception of afterliving which ultimately seeks to eradicate the divide between the living and their deceased loved ones reimagining death as a liminal passage towards God and divine self development This book thus suggests a new direction for Gothic studies by showing how Oliphant's supernatural fiction provided a means of curative writing transforming the traumatic reality of death into a source of hope The volume is suited for students researchers and academics in the disciplines of literature and history particularly the fields of nineteenth century studies Victorian studies and Gothic studies with an interest in women's writing theology and mental health trauma studies Types of the Short Story ,1913 New International Encyclopedia ,1916
