Tales Of The Primitive Area:

Tales of the Primitive Area Barbara Rey,1985-05-01 *The Courier and Other Tall Tales* Tom Badgett,2022-04-28
Mystery Humor Happy stories Sad stories The unusual This little book of short stories covers it all And overall you meet a range of interesting real life people You will identify with the residents of a small town probably not unlike your own You will laugh as you follow an elderly couple on an overnight getaway trip You will empathize with a young girl who becomes a woman under some of the harshest circumstances you could imagine You will follow another young mother who does what mothers do anything to protect the safety of her daughter You will think back on your own relationship with your father as you read a young man s memories of many fishing trips There s a mystery in Boston and in a small southern lakeside town If you never played outside as a child you will learn how a kid s life used to be before cell phones and the Internet This book offers a collection of people places and stories that will pique your interest touch your memories entertain and surprise you

From Distant Tales Dominik Bonatz,John Miksic,J. David Neidel,2009-03-26 This is the most comprehensive book devoted to Sumatra in more than half a century It summarizes earlier studies and provides a huge amount of new knowledge for the first time in readily accessible form Sumatra is one of the world s largest islands rich in flora and fauna minerals and timber and located at the midpoint of the maritime route between China and India These are ideal conditions for the creation of a fascinating history Sumatra has played a major role in world trade for 2 000 years but its culture and archaeology have been surprisingly neglected This volume sets out to remedy this defect With chapters on history archaeology anthropology folklore and religion the authors focus particular attention on the relations between the coastal peoples who are best known to outsiders and the hinterlands where most of the important resources lie The list of authors includes most of the principal living authorities on Sumatra Their cumulative experience consists of many years on all parts of the island The book is copiously illustrated and includes a comprehensive bibliography for those who wish to pursue further study of the wide range of topics covered
