Campbell,2022-05-08 Reprint of the original first published in 1862 *Popular Tales of the West Highlands Orally Collected* John Francis Campbell,1890 *Popular Tales of the West Highlands* ,1862 POPULAR TALES OF THE WEST HIGHLANDS Vol. 1 Anon E Mouse,2009 This second volume of Tales of the West Highlands contains thirty ursgeuln or tales fifty riddles plus a few extra stories As always these are tales and stories in which something Fairy or magical occurs something extraordinary fairies giants dwarfs princes princesses kings and queens speaking animals and the remarkable stupidity of some of the characters But these aren t just a collection of amusing and entertaining stories Just 20 years after the Elementary Education Act of 1870 these are the tales that were still being used in those far flung reaches of the Highlands to teach the young the lessons of life Also included are Seanachas those old Highland stories which in their telling resemble no others whose origins are lost in the mists of the Highlands if not the midst of time So take some time out and travel back to a period before television and radio a time when tales were passed on orally at the drying kilns at the communal well or in homes where families would gather around a crackling and spitting hearth and granddad or grandma or uncle or auntie would delight and captivate the gathering with stories passed on to them from their parents and grandparents from time immemorial A proportion of the profit from the sale of this book will be donated towards the education of the underprivileged in Scotland Popular Tales of the West Highlands John F. Campbell,1862 *West Irish Folk-Tales and Romances* Anonymous,2019-12-09 In *West Irish Folk Tales and Romances* the anonymous author presents a captivating collection of folklore that serves as both a window into the cultural psyche of rural Ireland and a celebration of its rich oral storytelling tradition The book intertwines charming narratives with enchanting motifs employing a lyrical prose style that evokes the picturesque landscapes of the West Irish coast Through a blend of mythical elements moral lessons and folkloric archetypes these tales explore themes of love adventure and the interplay between the human and supernatural realms compelling readers to embrace the fantastical while reflecting on the intricacies of everyday life in Ireland during a time of seismic social change in the 19th century The decision to compile these folk tales may stem from a desire to preserve

the vanishing oral traditions of a region at the crossroads of modernization and tradition Anonymous in authorship this figure embodies a collective voice that seeks to honor the community's rich heritage amidst the cultural upheaval following the Great Famine suggesting a deep rooted commitment to safeguarding Irish identity and folklore This collection is a treasure trove for anyone interested in folklore cultural history or the intersections of myth and reality Readers will find themselves enchanted by the tales whimsy and depth making West Irish Folk Tales and Romances an essential read for those seeking to understand the heart of Irish storytelling

Popular Tales of the West Highlands, Orally Collected, 1860 **Folktales of Ireland** Sean O'Sullivan, 2018-12-14 Few countries can boast such a plentitude of traditional folktales as Ireland In 1935 the creation of The Irish Folklore Commission set in motion the first organized efforts of collecting and studying a multitude of folktales both written as well as those of the Irish oral tradition The Commission has collected well over a million pages of manuscripts Folktales of Ireland offers chief archivist Sean O Sullivan's representation of this awe inspiring collection These tales represent the first English language collection of Gaelic folktales Without doubt the finest group of Irish tales that has yet been published in English The Guardian O Sullivan writes out of an intimacy with his subject and an instinctive grasp of the language of the originals He tells us that his archives contain more than a million and a half pages of manuscript If Mr O Sullivan translates them I'll read them Seamus Heaney New Statesman The stories have an authentic folktale flavor and will satisfy both the student of folklore and the general reader Booklist
