Alison Baird Lovell, 2020-11-09 This book presents an interpretation of Maurice Scève's lyric sequence *Dieu objet de plus haute vertu* Lyon 1544 in literary relation to the *Vita nuova* *Commedia* and other works of Dante Alighieri Dante's subtle influence on Scève is elucidated in depth for the first time augmenting the allusions in *Dieu* to the *Canzoniere* of Petrarch Francesco Petrarca Scève's sequence of dense epigrammatic dizains is considered to be an early example prior to the Pléiade poets of French Renaissance imitation of Petrarch's vernacular poetry in a time when imitatio was an established literary practice signifying the poet's participation in a tradition While the *Canzoniere* is an important source for Scève's *Dieu* both works are part of a poetic lineage that includes Occitan troubadours Guinizzelli Cavalcanti and Dante The book situates Dante as a relevant predecessor and source for Scève and examines anew the Petrarchan label for *Dieu* Compelling poetic affinities emerge between Dante and Scève that do not correlate with Petrarch **The Essence of Sufism** John Baldock, 2005-03-01 Insight into Life is the real religion which alone can help man to understand Life Hazrat Inayat Khan The Sufis have been using carefully constructed stories for teaching purposes for thousands of years Though on the surface these often appear to be little more than fairy or folk tales the Sufis hold that they enshrine in their characters plots and imagery patterns and relationships that nurture a part of the mind not reachable in more conventional ways thus increasing our understanding flexibility and breadth of vision Familiarization with this body of material can eventually provide answers to questions about our origins and our destiny In this book John Baldock explores the rich body of literature the Sufis have produced to guide spiritual travellers While explaining the significant teachings and emphasizing their significance for us he sheds a timely light on the Sufis' fascinating perception of life revealing it to be a process of the heart and not of the head and offers intriguing pathways to further study and reflection **Books on Turkey**, 2005 *Elijah at the Wedding Feast and Other Tales* John Shea, 1999 Stories from diverse religious traditions legends and everyday experiences **Multicultural Children's Literature** Donna E. Norton, 2009 With the growing number of ethnic minority students in public schools it is very important for teachers librarians and all those who work with children to have an understanding of appropriate multicultural literature This book and the literature selections are designed to develop heightened sensitivity and understanding of people from various cultures and traditions through the selection of carefully chosen literature It includes a balance of research about the culture and the literature a discussion of authentic literature for students from early childhood through young adults and teaching activities designed to develop higher cognitive abilities The book uses a unique five phase approach for the study of multicultural literature that has been field tested **The Cumulative Book Index**, 1995 A world list of books in the English language **Sitting with Sufis** Mary Blye Howe, 2005 The sequel to *A Baptist Among the Jews* is another spiritual journey this time into the Sufi traditions including the mysteries of the sema which is the meditation movement that made Rumi famous Original **Through the Eyes of a Child** Donna E.
