 19 1809 October 7 1849 was an American writer editor and literary critic Poe is best known for his poetry and short stories
 particularly his tales of mystery and the macabre Widely regarded as a central figure of Romanticism in the United States
 and American literature as a whole he was one of the country s earliest practitioners of the short story Poe is generally
 considered the inventor of the detective fiction genre and is further credited with contributing to the emerging genre of
 science fiction He was the first well known American writer to try to earn a living through writing alone resulting in a
 financially difficult life and career Born in Boston Poe was the second child of two actors His father abandoned the family in
 1810 and his mother died the following year Thus orphaned the child was taken in by John and Frances Allan of Richmond
 Virginia Although they never formally adopted him Poe was with them well into young adulthood Tension developed later as
 John Allan and Edgar repeatedly clashed over debts including those incurred by gambling and the cost of secondary
 education for the young man Poe attended the University of Virginia for one semester but left due to lack of money Poe
 quarreled with Allan over the funds for his education and enlisted in the Army in 1827 under an assumed name It was at this
 time his publishing career began albeit humbly with an anonymous collection of poems Tamerlane and Other Poems 1827
 credited only to a Bostonian With the death of Frances Allan in 1829 Poe and Allan reached a temporary rapprochement
 Later failing as an officer s cadet at West Point and declaring a firm wish to be a poet and writer Poe parted ways with John
 Allan Poe switched his focus to prose and spent the next several years working for literary journals and periodicals becoming
 known for his own style of literary criticism His work forced him to move among several cities including Baltimore
 Philadelphia and New York City In Baltimore in 1835 he married Virginia Clemm his 13 year old cousin In January 1845 Poe
 published his poem The Raven to instant success His wife died of tuberculosis two years after its publication For years he
 had been planning to produce his own journal The Penn later renamed The Stylus though he died before it could be produced
 On October 7 1849 at age 40 Poe died in Baltimore the cause of his death is unknown and has been variously attributed to
