The Best Books William Swan Sonnenschein,1910 *Publishers' circular and booksellers' record* ,1900 Preacher and Homiletic Monthly ,1916 *Celtic Saints of Ireland* Elizabeth Rees,2013-05-01 Most books about Celtic saints are based on their legendary medieval lives This book however is based upon our earliest surviving information an examination of the sites where these early Christians lived and worked Archaeology combined with the study of place names inscribed stones and early texts offers us important clues which help us to piece together something of the fascinating world of early Irish Christianity Elizabeth Rees an acknowledged authority on Celtic Christianity has produced this insightful history which is the first in an exciting new series Illustrated throughout with her own evocative photographs of where these saints resided and worked the reader is drawn into the beautiful world which these men and women inhabited Pilgrimage in Ireland Peter Harbison,1995-06-01 The landscape of Ireland is rich with ancient carved stone crosses tomb shrines Romanesque churches round towers sundials beehive huts Ogham stones and other monuments many of them dating from before the 12th century The purpose and function of these artifacts have often been the subject of much debate Peter Harbison proposes in this book a radical hypothesis that a great many of these relics can be explained in terms of ecclesiastical pilgrimage He has constructed a fascination theory about the palace of pilgrimage in the early Christian period placing it right at the center of communal life The monuments themselves make much better sense if it looked at in this light as having come into existence not through the practices of ascetic monks but because of the activities of pilgrims He begins by searching the historical sources in detail for evidence of early pilgrimage sites By examining their monuments he projects the findings to other locations where pilgrimage has not been documented He goes on to describe monument types of every kind and to identify pilgrims in sculpture surviving from before AD 1200 The Dingle Peninsula in Kerry proves to be a microcosm of pilgrimage monuments enabling the author to reconstruct a tradition of maritime pilgrimage activity up and down the west coast of Ireland Indeed the famous medieval traveler s tale of the fabulous voyage of the St Brendan the Navigator can now be seen as the literary expression of a longstanding maritime pilgrimage along the Atlantic seaways of Ireland and Scotland reaching
