**Tales of the Ohio Land** Jack Matthews, 1978-01-01      **A Worker's Writebook: How Language Makes Stories** Jack Matthews, 2011-04-12

This quirky writing guide by Jack Matthews author of 20 literary works offers insight about how successful writers mold raw experiences into a story and how language helps you to do that Erudite witty idiosyncratic serendipitous mischievous sesquipedalian entertaining introspective and colorful these are adjectives which come to mind when reading this book Less For several decades Jack Matthews distributed a photocopied version of this guide to students in his fiction writing classes at Ohio University A Worker's Writebook offers insight about how successful writers mold raw experiences into a story and how language helps you to do that It offers good examples and practical advice for getting a story idea off the ground it analyzes several stories including one of Matthews own and offers paradigms for understanding how stories work Erudite witty idiosyncratic serendipitous mischievous sesquipedalian entertaining introspective and colorful these are adjectives which come to mind when reading this book The book consists of essays and dialogue called interludes These interludes punch holes in the rules and pronouncements made in the essays they also help the book avoid seeming too dogmatic The two voices in the interludes are not exactly characters but the author and a contrarian voice within the author The comparison to Platonic dialogues is apt Matthews received his undergraduate degree in classical Greek literature and has always found echoes of the classical age in contemporary art and life Still the poetics of Writebook is grounded less in Aristotle than Aristophanes Although Writebook touches upon practical aspects of writing fiction such as naming characters and writing speech cues it focuses on helping the writer to write more boldly and with more attention to the linguistic vehicles of thought For Matthews most stories fail through under invention not because the rules of narrative have been disregarded Chapter 2 Taxonomies and 3 Structural Matters cover paradigms for plot and character development These are worthy subjects and Matthews has interesting things to say especially when he tries to analyze his story Funeral Plots with these same paradigms At the same time Matthews recognizes that there is no magic paradigm or archetype capable of explaining what makes all stories successful these are just guides At some point you just have to trust writerly intuition Writebook helps the potential storyteller to cultivate this intuition and be flexible enough to bend rules when necessary Matthews writes Anything can be done if it's done in the right way with style panache and cunning At another time he wrote Literature is the least pure of all the arts and that is its richness and power It's a temporal art like a symphony it has periodicities it has rhythms prose itself has sound it evokes visual imagery like painting Many writing books include a chapter or two listing literary clichés to avoid For the most part Writebook doesn't do that Instead it goes deeper and analyzes why some metaphors succeed and others do not The funny Parable of the Indifferent Ear provides a good case study about how linguistic inventiveness doesn't always translate into effective writing Literary insights from Writebook can be applied to drama novels and poetry but they are especially applicable to smaller forms like the short story though Matthews claim that a

short story of more than 10 000 words rarely succeeds is sure to be controversial Writebook introduces lots of new ideas and terminology the non sequential time opening the Swamps of Antecedence pointedness which is how stories gain enough momentum to escape the gravitational pull of the author linguistic vehicles the actual words which transport the thought and why flat characters aren't always bad Mr Matthews is a master of prose conversation and deadpan charm He is ironic cool and shrewd and he writes a lucid prose Tom O'Brien NEW YORK TIMES Matthews always graceful prose finds that precise telling detail It's easy to fall in love with such writing Perry Glasser NORTH AMERICAN REVIEW **True Tales of Old**

**Alexandria** Edward Pulliam, 2023 Stories from the beheading of an Englishman to the buried ships of Robinson Landing The streets of Alexandria have borne witness to singular individuals and stirring events in their long history In 1623 just across the Potomac River an English adventurer walked into an Indian village and literally lost his head In 1654 a notorious woman became the first European to own land in what would become Alexandria A hundred years later George Washington and General Braddock marched from Alexandria to a massacre and in 1814 the British looted the city Read the true history of Robinson Landing the seedy story of Del Ray and the tale of Major George Patton and the 1930s cavalry at Fort Myer Author Ted Pulliam follows his popular Historic Alexandria with a deeper look into the fascinating past of the city on the Potomac

**Second Death of E.A. Poe and Other Stories** Jack Matthews, 2021-11-15 Did Edgar Allen Poe fake his death That's what a Baltimore doctor needs to figure out in the title tale for this 11th story collection by Jack Matthews As one critic wrote Matthews stories are like friends from small towns They are honest warm occasionally lyrical and as strange and idiosyncratic as the rest of us Characters face all kinds of improbable situations in this collection A US army battalion finds itself locked in an absurd stalemate with German troops at the end of World War Two A second string college football player inexplicably receives an athletic prize A middle aged man discovers that random women around his neighborhood are walking around nude A man witnesses a car falling out of the sky into a supermarket parking lot A book collector and his wife concoct a mad plan to outbid a mysterious competitor for a 17th century manuscript In the novella sized title story Edgar Allen Poe's doctor investigates the mystery of Poe's disappearance from his deathbed and the very real possibility that Poe or someone purporting to be him has fled to Louisiana and been sending enigmatic clues As author of several novels set in 19th century America Gambler's Nephew Sassafras and Soldier Boys Jack Matthews 1925-2013 writes about early America with gusto and insight In contrast to previous story collections which lean more to the cerebral or poetic the Matthews stories collected here are down to earth yarns gently satirical and reminiscent of John Cheever's fiction Most are like pleasant strolls through Midwestern neighborhoods glimpsing random people at backyard parties cafes and parking lots **Folktales of the Jews, V. 3 (Tales from Arab Lands)** Dan Ben Amos, 2011-05-01 Thanks to these generous donors for making the publication of the books in this series possible Lloyd E Cotsen The Maurice Amado Foundation National Endowment for the Humanities and the National Foundation for Jewish Culture Tales from Arab Lands presents tales from North Africa Yemen

Lebanon Syria and Iraq in the latest volume of the most important collection of Jewish folktales ever published This is the third book in the multi volume series in the tradition of Louis Ginzberg s timeless classic Legends of the Jews The tales here and the others in this series have been selected from the Israel Folktale Archives IFA named in Honor of Dov Noy at The University of Haifa a treasure house of Jewish lore that has remained largely unavailable to the entire world until now Since the creation of the State of Israel the IFA has collected more than 20 000 tales from newly arrived immigrants long lost stories shared by their families from around the world The tales come from the major ethno linguistic communities of the Jewish world and are representative of a wide variety of subjects and motifs especially rich in Jewish content and context Each of the tales is accompanied by in depth commentary that explains the tale s cultural historical and literary background and its similarity to other tales in the IFA collection and extensive scholarly notes There is also an introduction that describes the culture and its folk narrative tradition a world map of the areas covered illustrations biographies of the collectors and narrators tale type and motif indexes a subject index and a comprehensive bibliography Until the establishment of the IFA we had had only limited access to the wide range of Jewish folk narratives Even in Israel the gathering place of the most wide ranging cross section of world Jewry these folktales have remained largely unknown Many of the communities no longer exist as cohesive societies in their representative lands the Holocaust migration and changes in living styles have made the continuation of these tales impossible This series is a monument to a rich but vanishing oral tradition This series is a monument to a rich but vanishing oral tradition

Boxes of Time: Stories Jack Matthews, 2024-01-12. Stories about messy emotions, troubled families, and damaged personalities. 11th Story Collection. Over his lifetime, Jack Matthews (1925-2013) wrote over 200 stories, many of which were published in literary journals. Although stories varied widely in subject and style, they often could be described as urbane, philosophical, poetic, and sardonic. Stories in *Boxes of Time* were mostly published between 1961 and 1981; they feature characters who are troubled or unsure of themselves, trying to deal with life's usual disappointments. Stylistically, these stories are polished and carefully written, but they deal with messy emotions, troubled families, and damaged personalities. The characters may not be as educated or self-assured as the people in his other collections, but they still manage to figure out interesting things about themselves and the people around them. Stories from this period focus especially on the emotional stresses that separate parents from their children. This ebook contains 24 stories by Jack Matthews, which have never been collected, making it the author's largest story collection. \_\_\_\_\_ Matthews' stories are like friends from small towns. They are honest, warm, occasionally lyrical, and as strange and idiosyncratic as the rest of us.

Arthur Sabatini, *PHILADELPHIA INQUIRER*. Mr. Matthews is a master of prose conversation and deadpan charm. He is ironic, cool, and shrewd, and he writes a lucid prose. Tom O'Brien, *NEW YORK TIMES BOOK REVIEW*.

**Family Ties and Tales (Final Edition)** Doug Boylan, I have been working about 40 years gathering family stories and digging through libraries and computer archives tracking the history of my families' ancestors. It's the age-old question of where did I come from. I was able

to find some interesting tales about who our ancestors were what they did and how we ended up where we are

**Abruptions: 3 Minute Stories to Awaken the Mind** Jack Matthews, 2017-10-11 Matthews stories are like friends from small towns They are honest warm occasionally lyrical and as strange and idiosyncratic as the rest of us Arthur Sabatini During the last decade of his life author Jack Matthews wrote a series of 12 page prose pieces which he dubbed Abruptions or very short stories that end abruptly Matthews had already published over 20 books of fiction with an astonishing variety of characters and plots This last volume hints at a lot of characters and plots without trying to resolve them Each abruption which rarely takes more than 5 minutes to read shed light on something unexpected whether it be a character's view on life or the reader's notions of how the world ought to work Many episodes read like contemporary fables or sketches of quirky people from small midwest towns Two older women have a long running feud about what flowers should go on the fence between their houses An actor makes a living out of playing the bad Nazi in movies An owner of a movie studio in the 1930s throws out any audience member who misbehaves during a movie An office worker is distracted by a pretty woman washing the outside windows Other stories sound like wild fairy tales What if one superintelligent Siamese twin were conjoined with an idiot brother What if a witch's curse caused every third word uttered by a person to go unsaid What if a woman has terrifying dreams about a missing watch Some stories simply ponder the imponderable Why do certain memories persist or reappear Why do elderly people become set in their ways Why do people become blind to certain things Matthews explains in the book's preface that abruptions can reach down to dimensions of wonder and speculation that are commonly thought to be the proper domain of poetry These stories are a fitting coda for Matthew's career as a storyteller As deep and dark as these abruptions can become they are told with simple language flashes of humor and a sage's sense of wonder and irony

*Wilderness Plots* Scott Russell Sanders, 1983 Fifty brief tales that chronicle the period of settlement of the Ohio Valley roughly 1780 to 1850 Beginning with the discovery of the Ohio River by La Salle and ending with the Civil War this region was the West the exciting new frontier Written with the power and compression of folklore these tales bring to life the unmemorialized common folks who carried out this epic adventure [Wolf-Cap; Or, The Night-Hawks of the Fire-Lands, A Tale of the Bloody Fort](#) T.
