A. DeCandido, 2007-04-24 As if Ring Day weren t enough to make Buffy Summers anxious she can t even afford one of the less expensive silver bands the Slayer has her hands full trying to figure out why an average split level house in Sunnydale has all the vampires spooked When she arrives at the library to discuss this new development with Giles a package he s received from an old folklorist in Russia reveals what s going on The stars are properly aligned for an attempt to resurrect Koschei the Deathless a long dead evil sorcerer So while her classmates are busy choosing rings to demonstrate their school spirit Buffy must figure out how to keep someone from

reviving Koschei and should she need to resort to plan B how to kill him again A little investigating soon leads Buffy and the gang to the necromancer who originally killed the sorcerer an immortal Russian sorceress named Yulia Dryanushkina who can control vampires which explains their reluctance to pass by her place of residence When the crew pays Yulia a visit she assures them that with Willow's assistance she would be able to kill the sorcerer again should he be revived Neither Buffy nor Willow are particularly comfortable with aligning themselves with the necromancer but they have no other choice when twenty four hours later the vampires start behaving strangely and half the senior class goes missing Christopher Golden, 2018-05-08 Since the beginning of time the demonic races have gathered every century to resolve conflicts among them and to determine the course of their future This centennial event was called the Dark Congress In the second century b c however the Dark Congress failed to resolve their conflicts Instead the Congress ignited into a war that drove wedges between the various demon races from that time until now And all of it began as a result of Kandida the great North African river demon being nearly killed by forces in the Congress and magically entombed in the riverbank But now Kandida is free and for the first time in centuries the Dark Congress is being called again All demon races and other varieties of supernatural creatures have been called to gather at the Hellmouth in Providence Rhode Island Some gather in hopes of resolution some in favor of war and Kandida is tasked to broker a treaty and guide the Congress to peace wherein everyone might simply agree to disagree And so the demons gather under a banner of a truce But the demons still harbor many bitter disagreements with one another The Congress must have an arbiter of these conflicts and that someone is Buffy Summers Buffy is horrified and disgusted to be included After all she is not a demon is she She knows so little about her powers that she cannot say for certain where they truly spring from How can she spend so much time wallowing in the darkness without becoming part of it Can she possibly agree to a truce with all the horrors of the world and allow them to come Providence without any attempt to stop them And does she have a choice The Darkening Yvonne Navarro, 2004-05-04 Willow sets off on a trail of vengeance and magick gathering to prepare a spell that will bring Tara back to life **Colony** Laura I. Burns, Melinda Metz, 2005-10 Interactive storylines allow readers to chose more than two dozen possible endings A guest speaker who is actually an ant like demon queen arrives at Sunnydale to talk about self esteem and to recruit drone like Queen of the Slavers Nancy Holder, 2005-06 There is no time for Buffy to take a vacation and workers to build her colony she could be facing death because there is a lot of evil in the world **Cursed** Mel Odom, 2003-11 The vampire Spike goes Keep Me in Mind Nancy Holder, 2005 You make your to Los Angeles where he teams up with his former partner Angel own destiny with the interactive story lines Your decisions determine your fate Do you have what it takes to be a slayer or will you fail and summon a successor The Quotable Slayer, 2003 This complete collection of the funniest most telling and often poignant quotes from the Emmy nominated show includes categories cross references and a full color 8 page photo insert Original Afterimage Pierce Askegren, 2006-01-24 Real life battles reel life when the grand reopening of the

Sunnydale Drive In unleashes a cast of movie monsters on the town Original **Night Terrors** Alice Henderson, 2005-11-22 You make your own destiny with the interactive story lines Your decisions determine your fate Do you have what it takes to be a slaver or will you fail and summon a successor Tales of the Slaver Todd A. et al McIntosh, 2003 **Spark and Burn** Diana G. Gallagher, 2017-09-26 What is the true measure of a champion In the nineteenth century a boy named William was born A sweet gentle boy no one could have guessed the suffering he d cause the pain he d inflict When as a young man he meets a woman called Drusilla a strange woman a woman unlike anyone William has ever known he is fundamentally changed She has turned him There will be no more William He is Spike now As Spike he travels Europe with a band of vagabond vampires Dru Darla and Angelus instruct him on his new nature and from them he learns about that greatest of vampiric enemies the girl who is chosen to stand up against them trained to kill them endowed with the strength it takes to defeat them the Slayer Then and there Spike decides he ll hunt down those slayers He ll see how many he can find Who would have thought then that he d fight on the Slayer's side Who would have guessed that Spike once William would go out and seek his soul for a slaver Who would have dared dream he d fall in love with one Mortal Fear Scott Ciencin. Denise Ciencin, 2003-09 Buffy gains a mysterious benefactor and investigates when a virus hits her town of Sunnydale California and ruins the local vampires food supply One Thing or Your Mother Kirsten Beyer, 2008-01-01 It's tough being a teenage Slayer On the verge of failing her junior year thanks to annoying Principal Snyder who seems to be acting even stranger than usual lately Buffy agrees to meet with a tutor Not helping her studies is the fact that lately she s been exhausted waking up each morning feeling more tired than she did the night before To make matters even worse she s tasked with investigating the disappearance of a child a little girl who happens to have gone missing mere hours before a child vampire surfaced in Sunnydale accompanied by a wheelchair bound male who fits Spike's description perfectly Fighting off exhaustion and uneasy at the prospect of staking a child vamp Buffy learns that Principal Snyder is the target of a sleep deprivation spell that has taken over Sunnydale Putting aside her fear that her tutor is out to get her and hoping that the sleeping spell is affecting both humans and demons Buffy investigates Snyder's odd behavior She follows him to his childhood home to discover that he has arranged to have his abusive mother banished to the demon dimension Meanwhile Drusilla who has been playing mother figure to the child vampire is learning how difficult it is to be a parent As sleep takes hold of the citizens of Sunnydale Buffy begins to realize that unless she breaks the spell soon the nightmare is just beginning
