Your Soul to Keep Ed Stauffer,2016-11-21 Good and evil have always existed and the battle between heaven and hell has been waged since before humankind s earliest memories Agents on both sides of this unending war move across the world searching for and claiming souls to fill their ranks They scour battlefields and dark alleys appearing in hospitals and at the bedsides of the dying They sometimes dwell among the oblivious masses going about their lives not knowing that anyone could be an agent of heaven or of hell Hellerman is one of these agents a shadow who descends upon the dying to procure their souls for his master Throughout millennia he has traveled across the continents appearing at one moment in a far removed village in Africa and later in the vast cities of Europe and North America He has never questioned his duty before But he has never had anyone show him what it is like to have someone care about him and for him And with that friendship comes another battle this time inside himself whose outcome will alter his destiny completely
