

A bald eagle is perched on a dark, textured tree branch. The eagle has a white head and neck, a yellow beak, and brown feathers on its body. It is looking towards the right. The background is a clear blue sky with some bare tree branches visible.

**Don't be a parrot in life,
be an Eagle**

**A parrot talks way too much
but can't fly high
but an eagle is silent &
has the power to touch the sky.**

Talk Like An Eagle:

How to Talk about Jesus Without Looking Like an Idiot Andy Bannister, 2023-07-04 Why is it so difficult to talk to our closest friends about what's most important to us Our true identity Our hopes and dreams Our true purpose and faith Andy Bannister struggled with that question himself As a twentysomething he operated as an Undercover Christian at his job He knew it didn't make sense and he spent the following decades helping countless people find easy natural ways to talk about the fundamental questions of life with the ones they love **Puck of Pook's Hill** Rudyard Kipling, 1914 *Inspiring Thoughts to Jump Start Your Day* Simeon P. Rosete DBS Jr., 2021-09-20 Inspiring Thoughts to Jump Start Your Day is a collection of thoughts short stories and materials that are designed to inspire everyone in their journey through life They cover virtually every aspect of life and give ideas on how to live a meaningful healthy and happy life They have initially appeared in weekly church bulletins that were written by the author to his congregation but have been revised and edited to suit the general public Those who will take the time to internalize these thoughts will find a new motivating force and power for daily living They will be consumed with a renewed vision and a clearer outlook on life that will put a sparkle in the eye a spring in the gait and a healthy disposition that will allow them to enjoy every moment of their journey It will keep them focused on their life's goals and maintain a steady sense of direction in their lives And this will help get them over every obstacle on the way and move them swiftly and safely through to their desired haven Any Body Can Derive Everything from Geometry of Dimensions Sridattadev Kancharla, 2018-05-02 Dear Anybody Who am I I am anybody and I am in this universe as much as it is in I What is I I is a sphere full of absolute consciousness SOUL the source of universal light is what really minds our existence and it is not mind over matter It is only mind that matters This book's purpose is to illustrate the truth about singularity of soul consciousness using fundamental geometry of dimensions GOD The universe is a multidimensional sphere and we humans are capable of interpreting it as four dimensional dual torus inside a three sphere which consists of Riemann two sphere as soul The soul is the simplest of the complex manifolds within the three sphere Mind and body constitute the remaining complexity Soul consciousness is the ethereal fifth element that creates sustains and dissolves us all in to itself in a toroidal flow A great scientist once thought about what it would be like to travel at the speed of light and came up with the theory of relativity Now it's our turn to wonder what it would be like to be the space time itself and experience the singularity of I and realize the absolute divine view theory of everything Wisdom is more important than imagination which is more important than knowledge for all that we know is just an imagination chosen wisely Zero I Infinity I think therefore we are Love SriDattaDev **Getting a Grip on Character** Rebecca Short, 2022-04-13 Getting a Grip on Character By Rebecca Short Getting a GRIP on CHARACTER is a complete curriculum designed for teachers parents grandparents and anyone who has a role in working with children Using the metaphor that life is like rock climbing students learn to get a grip on 7 Handholds of Character respect responsibility courage honesty perseverance trustworthiness and
