advanced and revolutionary method that was ever designed for quickly becoming conversational in a language In creating this time saving program master linguist Yahir Nitzany spent years examining the twenty seven most common languages in the world and distilling from them the three hundred and fifty words that are most likely to be used in real conversations These three hundred and fifty words were chosen in such a way that they were structurally interrelated and when combined form sentences Through various other discoveries about how real conversations work discoveries that are detailed further in this book Nitzany created the necessary tools for linking these words together in a specific way so that you may become rapidly and almost effortlessly conversant now If your desire is to learn complicated grammatical rules or to speak perfectly proper and precise Portuguese this book is not for you However if you need to actually hold a conversation while on a trip to Brazil or Portugal to impress that certain someone or to be able to speak with your grandfather or grandmother as soon as possible then the Nitzany Method is what you have been looking for This method is designed for fluency in a foreign language while communicating in the present tense Nitzany believes that what s most important is actually being able to understand and be understood by another human being right away More formalized training in grammar rules etc can come later This isn t a pronunciation book Thus this book is recommended for those with prior knowledge in pronunciation of the Portuguese language However for those who aren t previously familiar this book does provide some basic tools to teach pronunciation The main thing this book offers is the necessary tools to become conversational in a foreign language in record time As previously stated though with regards to grammar and pronunciation you are on your own This is one of the several in a series of instructional language guides the Nitzany Method s revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible No more depending on volumes of books of fundamental beginner intermediate and advanced levels all with hundreds of pages in order to learn a language With Conversational Portuguese Quick and Easy all you need are fifty three pages Learn Portuguese today not tomorrow and get started now **Get Started in Portuguese Absolute Beginner**
