## **Talkin Tuna The Wit And Wisdom Of Coach Bill Parcells:**

**Talkin' Tuna** Bill Parcells, Jefferson Davis, 1999 After bringing home two Super Bowls with the N Y Giants and after taking the hard luck New England Patriots to their own appearance in the big show Bill Parcells has performed another miracle he s transformed the 1 15 Jets into a real contender All New York s got to do now is wait because if the coach they call Tuna has his way it won t be long before his Jets sere up yet another championship A hard nosed pro who always shoots from the hip Parcells is one of pro football s winningest and often most controversial head coaches Always quotable love him or hate him there s no arguing his success Because when the Tuna talks people listen Parcells on the 98 AFC race We re kind of stacked up like club sandwiches Parcells on winning Winning doesn t feel as good as it used to and losing feels worse This is my crack cocaine I know it s like an assembly line okay And I know that some day the line is going to stop and that s when you re J A G Just another guy Parcells on NFL stars Dumb players to dumb things Smart players seldom do dumb things Parcells on his weight Hey listen let me tell you something If I fell down I d rock myself to sleep Columnist Norman Chad on Parcells It is a wonder of nature that caterpillars turn into butterflies It is a wonder of Parcells that Vinny Testaverde has turned into Joe Namath If he told his players the Earth were flat none of them would cross the street He could stare at a blue sky so hard it becomes cloudy Jets running back Keith Byars on Parcells If he tells you there s cheese on top of the mountain you d better bring crackers

**The Psychology of Executive Coaching** Bruce Peltier, 2011-04-27 With the first edition of this text Peltier drew on his extensive experience in both the clinical and business worlds to create a comprehensive resource that brought psychological and coaching concepts together It quickly became a practical and invaluable guide for both mental health practitioners looking to expand their practice into coaching and business professionals interested in improving their own coaching skills In this updated edition topics reflect the latest developments in the field of executive coaching Peltier describes several important psychological theories and how to effectively translate them into coaching strategies essential business lessons in leadership marketing and the corporate viewpoint along with vocabulary for the therapist the challenges women face as managers and executives and effective coaching methods for working with them and lessons from successful athletic coaches that can be integrated into consulting skills This edition includes four new chapters one describing psychopathology likely to be encountered by coaches Another describes and evaluates emotional intelligence a third summarizes adult developmental theory for coaches and a fourth sorts out the popular and scientific literature on leadership and leader development

coaching the Giants Patriots and Jets from the skid row district of the NFL and transforming those teams into champions The final weeks of the 2002 season found Parcells working as an analyst at the ESPN studios His heart aching Parcells was like a televangelist with no cripples to heal The Tuna urgently yearned for another lost cause In Dallas Cowboys owner Jerry Jones described by author Mike Shropshire as a man involved in a heroic struggle to overcome what had been diagnosed as a terminal face lift was suffering through sleepless nights Although his once proud pro football powerhouse traveled beneath a banner that read America s Team it had suffered three straight 5 11 seasons This team was so sick it had bedsores After a clandestine meeting aboard Jones s private jet parked at a New Jersey airport Parcells agreed to abandon his East Coast roots and travel south to restore life to the Cowboys The Tuna and Jones needed each other in the worst kind of way so a shotgun wedding was performed The pundits of the national media joined hands and shouted Parcells and Jones can t stand each other They re too set in their ways It ll never work As usual the pundits were wrong With Parcells the ultimate motivator and so called Jock Whisperer applying his craft Dallas rolled to a 10 6 regular season record and shocked the NFL by making the playoffs When the Tuna Went Down to Texas details the saga of how this unlikely partnership of men too brittle for tango lessons but not yet blind enough for assisted living amazed the sports world and serves as absolute proof that while the truth is not always stranger than fiction it s usually a lot funnier *Parcells* Carlo DeVito,2014-09-01 In this revealing biography the exhaustive research of acclaimed sports historian Carlo DeVito sheds new light on football coaching legend Bill Parcells exposing the two time Super Bowl winning coach s moxie and lifelong dedication to football The book digs deep into Bill Parcells past to unlock the secrets of what made him who he is today following him from his childhood through 15 years of college coaching to his first big chance in the pros and the year that almost broke him With more than 3 000 interviews newspaper and magazine articles and scores of primary resources DeVito s book brings Parcells to life as readers have never seen him before **Your Toronto Blue Jays 25th Anniversary Collection** Jefferson Davis,2001 From Doug Ault to Carlos Delgado a Jays highlight reel Remember Opening Day 1977 Snow falling over Exhibition Stadium Bill Singer on the mound Doug Ault the power hitter How about the beginnings of the Jays greatest outfield Barfield Moseby and Bell Cliff Johnson and Jorge Orta sharing the DH role Mark Lemongello punching himself in the jaw Dave Stieb s sharp breaking slider and fiery disposition Kelly Gruber hitting for the cycle Join us in re living the first 25 years of the Blue Jays a year by year look at the players the seasons the managers the fans the cellar dwellers and the World Series champs Each season features great photos a ten best list player profiles and highlights from that year 1977 to 2001 what a great ride it s been *Parcells* Bill Gutman,2025-05-01 In January 2000 shortly after the New York Jets ended their 99 season their coach Bill Parcells retired By then he had won 149 games lost 106 tied one led three major pro football teams out of serious slumps and taken two of them to the Super Bowl He had made football history he d become the NFL s miracle man Both intimidating and disarming with a tongue like a whip and the temperament of a tyrant Bill Parcells joined the failing New York Giants in

1983 By 1990 he'd twice taken the team to the Super Bowl Three years later he took in tow the downtrodden New England Patriots whom he propelled to the Super Bowl in his fourth season He returned to New York in 1997 this time to rally the Jets In two seasons the team with a lamentable 1-15 record had won a division title and missed the Super Bowl by only a game In 1999 beleaguered by injuries to key players the Jets nose-dived losing six of its first seven games but Parcells still managed to salvage the season with an 8-8 finish While this biography candidly assesses the career of a consummate coach it also examines the driving force that took hold of Parcells early and never let him go Call it ambition a dream bulldog spirit or perfectionism it made him one of the winningest coaches in NFL history *No Excuses* Charlie Weis, Vic Carucci, 2006-10-10

Weis was taught football by some of the best minds in the game Bill Parcells and Bill Belichick Parcells would give him a life-defining break in 1990 by hiring him as an assistant on the New York Giants staff For a Jersey guy who loved sports this was a dream come true especially when Weis won his first championship in his debut year in the NFL He'd always wanted to be a sports announcer the next Marv Albert but he'd caught the coaching bug and was now in a position to learn from the best And he did following Parcells to the New England Patriots and then to the New York Jets Under enormous pressure and exacting standards Weis flourished and later became offensive coordinator When Parcells stepped down as coach of the Jets Weis joined his colleague and friend Bill Belichick who was the newly named Patriots head coach Together they would thrive building a storied franchise a rare modern-day dynasty that won three Super Bowls in four years Through it all Weis designed offensive schemes that would befuddle even the best defenses in the NFL and he coached a number of players to greatness including Pro Bowlers Ben Coates Curtis Martin and of course Tom Brady The chance of a lifetime arrived in December of 2004 Weis was offered the opportunity to lead one of the most prestigious football schools in the country Notre Dame home of coaching legends Knute Rockne Frank Leahy Ara Parseghian Dan Devine and Lou Holtz And so began a new chapter in Weis's career Weis took over a program in dire need of direction and now he is in the process of building his own legacy with his unique vision Off the field Weis faced his other challenges Seeking to improve his health and lose weight he decided to get gastric bypass surgery What he thought would be a routine procedure turned into a nightmare as he nearly bled to death lapsed into a coma and was read the last rites It was a horrifying experience yet he battled back in inspiring fashion and still demands nothing less of himself despite the long-lasting aftereffects He has had his joys too Weis considers his wife Maura his best friend They have two beautiful children Charlie his best buddy and Hannah who he and his wife consider their guiding angel Hannah is developmentally delayed and has been the inspiration leading to the establishment of Hannah and Friends a nonprofit foundation seeking to improve the quality of life for people with special needs *No Excuses* is not only illuminating and insightful it is an extraordinary look inside one of football's greatest minds who has helped shape today's game

**Parcells** Carlo DeVito, 2011 In this revealing biography the exhaustive research of acclaimed sports historian Carlo DeVito sheds new light on a football coaching legend Bill Parcells exposing the two-time Super Bowl winning coach's moxie

and lifelong dedication to football The book digs deep into Bill Parcells past to unlock the secrets of what made him who he is today following him from his childhood through 15 years of college coaching to his first big chance in the pros and the year that almost broke him With more than 3 000 interviews newspaper and magazine articles and scores of primary resources DeVito s book brings Parcells to life as readers have never seen him before      **Parcells** N. Y.) Daily News (New York,New York Daily News,2000 Whatever a person may think about Bill Parcells there is no argument about one thing the man got results He took three different NFL franchises from the scrap heap to championship games After winning a pair of Super Bowls as the boss of the Giants Parcells further demonstrated his skill as a coach by taking the New England Patriots to the Super Bowl and getting the New York Jets to first place and the AFC championship game just two years after the Jets finished the 1996 season with a 1 15 record Parcells chronicles Bill Parcells career from his New Jersey roots to his vagabond life as an assistant coach for hire and on to his first stint in the NFL which he walked away from Parcells story is told from the archives of the New York Daily News
