Sexual Anorexia Patrick J. Carnes, 2009-08-07 A first time examination of sexual anorexia an extreme fear of sexual intimacy and obsessive avoidance of sex by the acknowledged leader in the treatment of compulsive sexual behavior and recovery Author Dr Patrick Carnes begins by defining sexual anorexia and demonstrating how it and its parallel disorder sexual addiction and compulsivity often arise from a background of childhood sexual trauma neglect and other forms of abuse Carnes explores the numerous dimensions of sexual health examining key issues which must be addressed and resolved for recovery to proceed Utilizing extensive research and elucidating case studies Carnes develops concrete tasks and plans for restoring nurturing and sensuality building fulfilling relationships exploring intimacy and creating healthy sexuality Woven throughout the book are stories of recovery which illustrate sexual healing principles model new behavior and support motivation for change Sexual Anorexia enables those suffering from this disorder to recognize that sex need not be a furtive enemy to be fought and defeated but instead a deeply sensual passionate fulfilling and spiritual experience that all human beings are innately entitled to **Resources in Education**, 1996-10 **An Asperger Dictionary of Everyday**

Expressions Ian Stuart-Hamilton, 2004 Addressing an important aspect of social communication for people with Asperger Syndrome who use direct precise language and take things literally this dictionary of idiomatic expressions aims to dispel any confusion that arises from the misinterpretation of language This book provides explanations of over 5 000 idiomatic expressions plus a guide to their politeness level Each expression is accompanied by a clear explanation of its meaning and when and how it might be used The expressions are taken from British and American English with some Australian expressions included as well Although the book is primarily intended for people with Asperger Syndrome it will be useful for anyone who finds problems understanding idiomatic and colloquial English An essential resource and an informative read this dictionary will assist in a wide range of situations

Lineages of the Feminine Emmanuel Todd, 2023-06-06 We are experiencing an anthropological revolution We see it in the MeToo movement in the denunciation of femicide and in an increasingly vociferous critique of patriarchal domination Why this sudden rise of an antagonistic conception of the relationship between men and women at the very moment when progress is accelerating and when the goals of first and second wave feminism seem on the verge of being achieved In this book the anthropologist and historian Emmanuel Todd while not underestimating the importance of crucial inequalities that remain argues that the emancipation of women has essentially already taken place but that it has given rise to new tensions and contradictions As women gain more freedom they also gain access to traditional male social pathologies economic anxiety the disorientation of anomie and individual and class resentment But because they remain women with the ability to bear children their burden as human beings although richer is now more difficult to bear than that of men In order to understand our current condition Todd retraces the evolution of the male female relationship through the long history of the human species from the emergence of Homo sapiens a hundred thousand years ago to the present He also conducts a broad empirical study of the convergence between men and women today and of the differences that still separate them in education in employment and in relation to longevity suicide and homicide electoral behaviour and racism He explores the relations between women's liberation and other changes in contemporary societies such as the collapse of religion the decline of industry the decline of homophobia the rise of bisexuality and the transgender phenomenon and the decline in a sense of the collective life And he shows how and why Western countries and especially the Anglo American world Scandinavia and France are in their new feminist revolution perhaps less universal than they think
