Understanding the Doctrine of the Trinity John Weekes, 2001-04-29 In writing this book I was mindful of the many areas of conflict that exist between Christian and Christian Christian and Jew Christian and Jehovah Witness Members of The Church of Latter Day Saints and others The purpose was to examine critically some of the main areas of conflict and measure them against what the bible has to say concerning the Godhead Father Son and Holy Spirit and to arrive at a reasonable honest and dispassionate conclusion One very clear and positive way was to show that Jesus that great and unusual man of history was indeed a man from heaven and is in fact God incarnate Even those who have not accepted Jesus as God or equal with God must admit that he was like no other He was born in a lowly stable and died a convicted felon Yet the world in short order turned to him Even the mighty Roman Empire which initially haunted and crucified hanged and hounded Christians eventually turned to Him and acknowledged Him The evidence then is that Jesus is someone special The Jewish ruler Nichodemus acknowledged he was from God It follows therefore that if Jesus was from God then it is reasonable to accept that he was a person of truth and integrity Yet Jesus said he was God God seems to have been well pleased with Jesus Is it not reasonable therefore to accept Jesus at His word Commonsense and logic answers a resounding Yes

Segovia, 2000-04-01 This book addresses a fundamental reality of our time the great movement of people for a variety of reasons within and across countries and cultures From this migration has emerged the diasporic intellectual the state of dislocation and displacement has become a vantage point for reflection and interpretation The same is true of theological studies in general and biblical criticism in particular In this masterly treatment Fernando Segovia focuses on the emerging transborder biblical interpreters from the Two Thirds World now residing and working in the West both in the United States and in Europe and examines their multiple identities He also explores how this state of in betweenness and homesickness affects influences and informs biblical interpretation

Abraham Terence E. Fretheim, 2024-03-12 From God s surprising call to Abraham to leave home and family to God s enigmatic commands that he evict one son and sacrifice another Genesis 12 25 is one of the most dramatic stories of the Old Testament In an inviting style that showcases his literary discernment theological sophistication and passion for the biblical text Terence E Fretheim guides readers through the intricacies of the plot Abraham called the father of a multitude Gen 17 5 lives up to his name as the patriarch of three major religious traditions Fretheim examines Abraham s family and assesses the significant roles it plays across Judaism Christianity and Islam In addition Fretheim contributes to the increasingly important interreligious dialogue

surrounding Abraham by examining the continuing conversation among Muslims Christians and Jews about the place of Hagar and Ishmael in Abraham s family Relating biblical narrative to theological concerns Fretheim wrestles with such controversial concepts as God s selection of an elect people the gift of land and other promises the role of women and outsiders the character of God and the suffering of innocents Throughout the text Fretheim frames the narrative as rooted in the trials of family and faith that define Abraham as the father of three religions Adult Bible Studies Fall 2025
