I AM Howard Falco, 2010-09-02. I AM is a fascinating in depth and eye opening look at the very essence of how each of our lives are created in every moment. Hale Dwoskin, author of the New York Times bestseller The Sedona Method and featured teacher in The Secret. For centuries humankind has been asking fervent questions about the meaning of life. As Howard Falco learned, the answers to these questions can ultimately be found in the answer to just one: Who am I. In late 2002 in the middle of an ordinary life, Falco, a thirty five year old investment manager with a wife and two children, sought the answer to this powerful question and remarkably this quest resulted in a sudden and all encompassing shift in his awareness that revealed more about life and how we each create it than he ever imagined knowing. Startled by this new understanding and its implications for his own life and the lives of all others, Falco set out to share his discoveries. The stunning result is this book I AM, which takes readers on a life changing journey in which they will discover the incredible power they have over their experience of life, finding that the doorway to eternal peace, happiness and fulfillment lies in one of the shortest sentences in the written word but the most powerful in the universe: I AM.

Am I A Danger To Public Chandrika Barman, 2020-02-04. The book contains psychiatric expert reports of six psychiatrists. These expert reports were accepted by an Australian judge in criminal court. They are reports about an Indian doctor working in Australia. They are trying to find out if Indian Hindu religious beliefs are enough evidence of psychosis, delusion and schizophrenic kind of mental illness. The true story is about political psychiatry in Australia. Where if you give evidence in a political enquiry against the Australian government, the government will do anything to brand you mentally impaired, use your religious beliefs and identity against you to smear you as mentally impaired and destroy your reputation and then your money and career as a punishment only for giving evidence against them in a political enquiry.
