Gustav Morf

The Polish Shades And Ghosts Of Joseph Conrad:

The Polish Shades and Ghosts of Joseph Conrad Gustav Morf,1976 **The Polish Shades and Ghosts of Joseph Conrad** Gustaf Morf,1979-01-01 *Polish Shades and Ghosts of Joseph Conrad* Gustav Morf,1976-01-01 *The Life and the Art* Keith Carabine,2022-05-20 *The Life and the Art A Study of Conrad s Under Western Eyes* has a twofold origin Over the past ten years as an associate editor of the prospective Cambridge Edition of *Under Western Eyes* the author Keith Carabine has worked on the genesis and composition of the novel in its several versions and on its literary ideological social and historical contexts At the same time during these years he has taught seminar courses on Conrad for undergraduates and on Conrad and Dostoevsky for postgraduates This interpenetration of teaching and research constantly reminded the author that his many hours devoted to textual minutiae and manuscript variations or to a study of Conrad s Polish background should result not only in a scholarly edition of the novel in a book that will demonstrate the ways in which Conrad s life and his protracted uncertain composition of the *Under Western Eyes* enrich his art and the title of this book deliberately invokes Conrad s belief in the inseparability of the art and the life This study s six chapters concentrate in different ways and with differing emphases on the complex inter relations between the art and the life on the intersections between Conrad s personal preoccupations fictional aesthetic and working practices with regard to what he described as without doubt the most deeply meditated novel that came from under my pen *The French Face of Joseph Conrad* Yves Hervouet,1990-11-30 A large scale account of Conrad s extensive involvement with the French literary tradition Yves Hervouet s book is a milestone in our understanding of his work It will have a major impact on Conrad scholarship and as a study of cross cultural influence it will be of interest to all students of comparative literature in the period [Joseph Conrad and the Reader](#) A. Acheraiou,2009-10-21 *Joseph Conrad and the Reader* is the first book fully devoted to Conrad s relation to the reader visual theory and authorship This challenging study proposes new approaches to modern literary criticism and deftly examines the limits of deconstructionist theories introducing groundbreaking new theoretical concepts of reading and reception **Joseph Conrad's Critical Reception** John G. Peters,2013-04-29 This book provides a comprehensive up to date history of the commentary written about the life and works of Joseph Conrad *The Resonance of Joseph Conrad in Contemporary Culture* Agnieszka Adamowicz-Pośpiech,2025-09 A hundred years after his death the life and legacy of the Polish British novelist Joseph Conrad remains deeply felt in a wide range of global cultural contexts *The Resonance of Joseph Conrad in Contemporary Culture* brings together scholars of wide ranging backgrounds to provide a holistic assessment of the afterlife of Conrad s work Ranging from Conrad s influence upon contemporary writers to the impact of his translators and his adaptation within film and graphic novels this volume illuminates how Conrad s approach to questions of moral ambiguity and the haunting complexities of colonialism continues to inform the cultural output of our modern globalized world **The Several Lives of Joseph Conrad** John Stape,2011-05-25 Please note The eBook version of this title is slightly

different from the paperback version While the textual content remains the same the illustrations photographs were removed from the eBook version because of permissions issues The Several Lives of Joseph Conrad is the first new biography in more than a decade of one of modern literature s most important writers whose work remains widely read and acutely relevant eighty years after his death In this authoritative insightful book we see Joseph Conrad as a man who consistently reinvented himself Born in 1857 in Berdichev Ukraine he left home early and worked as a sailor out of Marseilles traveled to the Far East and Africa with the British merchant navy and finally in 1891 settled in England beginning a precarious existence as an novelist and family man Here is a Conrad for our moment a man with a deep sense of otherness a writer with multiple cultural identities who wrote in his third language and whose fiction became the cornerstone of literary Modernism With his exceptional knowledge and understanding of Conrad and drawing on unpublished letters and documents John Stape succeeds in casting an illuminating new light on the life of a willfully enigmatic man who remains one of the greatest writers of his and our time

Joseph Conrad Jeffrey Meyers, 2001-02-09 In *Joseph Conrad A Biography* acclaimed writer Jeffrey Meyers presents the definitive account of the life of Joseph Conrad 1857 1924 author of *Heart of Darkness* *Lord Jim* *Nostromo* and many other landmarks in modern literature Meyers biography published for the first time in paperback by Cooper Square Press is the first biography of the author in many years Joseph Conrad brings to light new information about Conrad s life and its impact on his fiction new models emerge for his characters including *Heart of Darkness* Kurtz and Meyers also examines in great detail Conrad s relationship with the wild and beautiful American journalist Jane Anderson
