Smyth, 2015-07-20 Excerpt from *The Philadelphia Magazines and Their Contributors 1741 1850* This study in the history of the Philadelphia magazines was undertaken at the request of Professor H B Adams and the results were first read at a joint meeting of the Historical and English Seminaries of the Johns Hopkins University At a later date they were again read before the Historical Society of Pennsylvania The subject has been found so rich and the materials so interesting that in spite of my best efforts to be brief the article has grown into a book It has been with no little distrust that I have made this wide excursion from my chosen studies but the generous aid and encouragement of friends who are learned

in our local lore have given me heart to complete and to publish the results of these researches A complete list of the Philadelphia magazines is impossible Many of them have disappeared and left not a rack behind About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
