TOYS AND TRAGEDY IN CHICAGO

CARYN LAZAR AMSTER

Foreword by Mandy Patinkin

The Pied Piper Of South Shore

Caryn Lazar Amster

The Pied Piper Of South Shore:

The Pied Piper of South Shore Caryn Lazar Amster, 2004-08 This true crime memoir of Chicago toy storeowner Manny Lazar known as the Pied Piper of South Shore is set in Chicago's South Shore neighbourhood in the 50's and 60's. It is the story of the life and death of this beloved retailer told in gritty detail by his elder daughter. The author takes readers from Russian persecution to American freedom from Hula Hoops to hit men from murder to trial. It's the story of two children of immigrants, their American dream and their richly diverse neighbourhood in which each fell prey to the brutality of gangs. It is the story of loss and survival even forgiveness. A foreword by Mandy Patinkin, a long-time customer, thanks Mr and Mrs Lazar for providing a place to dream. Two appendices reveal how some of the most popular toys of the 50's and 60's got their start and recall the stores along 79th Street in South Shore. The book cover by fine artist Mitch Markovitz is available as both posters and prints. A portion of the book proceeds will be donated to Women's American ORT Organization for Rehabilitation and Training.

Chicago Frederik Byrn Køhlert, 2021-09-23 Chicago occupies a central position in both the geography and literary history of the United States. From its founding in 1833 through to its modern incarnation, the city has served as both a thoroughfare for the nation's goods and a crossroads for its cultural energies. The idea of Chicago as a crossroads of modern America is what guides this literary history, which traces how writers have responded to a rapidly changing urban environment and labored to make sense of its place in and implications for the larger whole. In writing that engages with the world's first skyscrapers and elevated railroads, extreme economic and racial inequality, a growing middle class, ethnic and multiethnic neighborhoods, the Great Migration of African Americans, and the city's contemporary incarnation as a cosmopolitan urban center, Chicago has been home to a diverse literature that has both captured and guided the themes of modern America.

The World Is Always Coming to an End Carlo Rotella, 2019-04-26 This portrait of Chicago's South Shore and its people is a thought-provoking deep dive into a neighborhood that remains in perpetual transition. Kirkus Reviews: An urban neighborhood remakes itself every day and unmakes itself too. It is houses and stores and streets, but it's also people, the people who make it their home, some eagerly, others grudgingly. A neighborhood can thrive or it can decline, and neighbors move in and move out. Sometimes they stay but withdraw behind fences and burglar alarms. If a neighborhood becomes no longer a place of sociability and street life but of privacy indoors and fearful distrust outdoors, is it still a neighborhood? In the late 1960s and 1970s, Carlo Rotella grew up in Chicago's South Shore neighborhood, a place of neat bungalow blocks and desolate commercial strips and sharp, sometimes painful social contrasts. In the decades since, the hollowing out of the middle class has left residents confronting or avoiding each other across an expanding gap that makes it ever harder for them to recognize each other as neighbors. Rotella tells the stories that reveal how that happened: stories of deindustrialization, stories of gorgeous apartments with vistas onto Lake Michigan, and of Section 8 housing vouchers held by the poor. At every turn, South Shore is a study in contrasts, shaped and reshaped over the past half-century by individual

stories and larger waves of change that make it an exemplar of many American urban neighborhoods Talking with current and former residents and looking carefully at the interactions of race and class persistence and change Rotella explores the tension between residents deep investment of feeling and resources in the physical landscape of South Shore and their hesitation to make a similar commitment to the community of neighbors living there Unlike any work of contemporary urban studies that I know It combines elements of journalism archival research ethnography and memoir in a study of South Shore the South Side Chicago neighborhood in which Carlo grew up in the 1970s It s at times lyrical at times analytic and always engaging Eric Klinenberg Public Books
