Siriano,2020-04-13 AN UNDERSTANDING OF AMERICA AND GOD'S PROPHETIC PLAN FOR ISRAEL I've known David for over 40 years and at one point worked as his office administrator He is a man of integrity passion for Jesus and His kingdom with a solid marriage and family We bring David in every year to speak on prophecy and current events He is solid in his theology combining history and Biblical prophecy without sensationalism It's rare to have someone so knowledgeable in prophecy who can make the connection between history and today's news It's not about politics it's about prophecy is his reminder when he is connecting the dots between world leaders and their role in history Rev Karen C Rydwansky Founding and Lead Pastor Crossroads Worship Center Weymouth MA Interpreting the Prophetic Word Willem A. VanGemenen,2010-06-01 The diversity of prophetic voices in the Bible provides a message that is rich and variegated But the variety of the testimony can be lost by limiting one's interpretations or application of the prophetic word Interpreting the Prophetic Word helps readers understand the harmony of the voices that reveal God's purposes in redemptive history Dr Willem VanGemenen explains clearly and fully the background of the prophetic tradition He then interprets the message of the major and minor prophets using historical context and literary form and structure as tools in his analysis He concludes with an explanation of the relevance of the prophetic word today Dr VanGemenen's extensive research and scholarship is presented in a readable way to unlock the door of prophecy for readers He helps them to interpret prophecy and invites them to listen to the prophets and to live the prophetic word *The Future According to Bible Prophecy* Paul S.
