Gender and the Poetics of Excess Karen Jackson Ford, 1997-12 A study of how excess has proved to be the intended norm in the work of major women poets

Women and Gender in Early Modern Europe Merry E. Wiesner, 2000-07-03 This is a major new textbook designed for students in all disciplines seeking an introduction to the very latest research on all aspects of women s lives in Europe from 1500 to 1750 and on the development of the notions of masculinity and femininity The coverage is geographically broad ranging from Spain to Scandinavia and from Russia to Ireland and the topics investigated include the female life cycle literacy women s economic role sexuality artistic creations female piety and witchcraft and the relationship between gender and power To aid students each chapter contains extensive notes on further reading but few footnotes and the approach throughout is designed to render the subject in as accessible and stimulating manner as possible Women and Gender in Early Modern Europe is suitable for usage on numerous courses in women s history early modern European history and comparative history

Gender-Play in the Hebrew Bible Amy Kalmanofsky, 2016-11-03 Though the Hebrew Bible often reflects and constructs a world that privileges men many of its narratives play extensively with the gender norms of the society in which they were written Drawing from feminist masculinity and queer studies Gender Play in the Hebrew Bible uses close literary analysis to argue that the writers of the Bible intentionally challenge gender norms in order to reveal the dangers of destabilizing societal and theological hierarchies that privilege men and masculinity This book presents a fascinating argument about the construction and import of gender in the biblical narratives and will be of great interest to academics in the fields of religion theology and Biblical studies as well as gender studies

The Imprint of Gender Wendy Wall, 1993 What did it mean to be published at the end of the sixteenth century While in polite circles gentlemen exchanged handwritten letters published authors risked association with the low

born masses Examining a wide range of published material including sonnets pageants prefaces narrative poems and title pages Wendy Wall considers how the idea of authorship was shaped by the complex social controversies generated by publication during the English Renaissance

Re/Presenting Gender and Love Dikmen Yakalı Çamoğlu,2019-01-04 This volume was first published by Inter Disciplinary Press in 2015 This volume presents interdisciplinary explorations aiming to understand the interaction and interconnection between the concepts of love and gender Throughout the chapters the reader can pursue various representations of gender and love and explore how their meanings are produced in different periods and geographies These representations produce embodied individuals and shared meanings in which gender and love mutually construct each other As you will see in the following chapters what we set out to understand most of the time was not individual relationships but the relations of power Thus these essays show how gender and love are represented in various discourses produced in knowledge in philosophy psychology literature and popular culture and regulated by the discursive practices and disciplinary techniques of different societies

Race and Gender in the Making of an African American Literary Tradition Aimable Twagilimana,2014-01-14 This book examines the ways in which race and gender have shaped and continue to inform African American literature African American texts create a black literary and cultural identity interpreting and recording the survival of their cultures shattered by years of slavery Black women writers who have to deal with both racism and sexism use additional strategies to undo this double reduction They strive to invent a new language to talk about their experience and their lives as black and as women After a typology of the African American text the book proposes a reading of major African American writers including Phyllis Wheatley Olaudah Equiano Frederick Douglass Harriet Jacobs Harriet Wilson Charles Chesnutt Booker T Washington James Weldon Johnson Zora Neale Hurston Alice Walker and Toni Morrison

The Dynamics of Gender in Early Modern France Domna C. Stanton,2016-03-23 In its six case studies *The Dynamics of Gender in Early Modern France* works out a model for early modern gender which is articulated in the introduction The book comprises essays on the construction of women three in texts by male and three by female writers including Racine F nelon Poulain de la Barre in the first part La Guette La Fayette and S vign in the second These studies thus also take up different genres satire tragedy and treatise memoir novella and letter writing Since gender is a relational construct each chapter considers as well specific textual and contextual representations of men In every instance Stanton looks for signs of conformity to and deviations from normative gender scripts *The Dynamics of Gender* adds a new dimension to early modern French literary and cultural studies it incorporates a dynamic shifting theory of gender and it engages both contemporary critical theory and literary historical readings of primary texts and established concepts in the field This book emphasizes the central importance of historical context and close reading from a feminist perspective which it also interrogates as a practice The Afterword examines some of the meanings of reading as a feminist
