Arthur Conan Doyle, 1964 It is imperative that now at once while these stupendous events are still clear in my mind I should set them down with that exactness of detail which time may blur But even as I do so I am overwhelmed by the wonder of the fact that it should be our little group of the Lost World Professor Challenger Professor Summerlee Lord John Roxton and myself who have passed through this amazing experience When some years ago I chronicled in the Daily Gazette our epoch making journey in South America I little thought that it should ever fall to my lot to tell an even stranger personal experience one which is unique in all human annals and must stand out in the records of history as a great peak among the humble foothills which surround it The event itself will always be marvellous but the circumstances that we four were together at the time of this extraordinary episode came about in a most natural and indeed inevitable fashion I will explain the events which led up to it as shortly and as clearly as I can though I am well aware that the fuller the detail upon such a subject the more welcome it will be to the reader for the public curiosity has been and still is insatiable It was upon Friday the twenty seventh of August a date forever memorable in the history of the world that I went down to the office of my paper and asked for three days leave of absence from Mr McArdle who still presided over our news department The good old Scotchman shook his head scratched his dwindling fringe of ruddy fluff and finally put his reluctance into words I was thinking Mr Malone that we could employ you to advantage these days I was thinking there was a story that you are the only man that could handle as it should be handled The Publishers' Trade List Annual ,1972 *Newton Free Library Bulletin* Newton Free Library, 1913 *Sale Catalogues* American Art Association, Anderson Galleries (Firm), inc American art association Aderson galleries, 1917
