Sinking Of The Titanic And Great Sea Disasters:

The Sinking of the Titanic Logan Marshall, 2011-08-31 When she set sail from Southampton on her maiden voyage to New York on 10 April 1912 RMS Titanic the pride of the White Star fleet was the largest ocean liner in the world Deemed practically unsinkable because of her double bottomed hull and watertight compartments she carried over 2 000 passengers and crew although only sufficient lifeboats for just over half that number Four days out of Southampton on the night of 14 April she struck an iceberg in the North Atlantic and sank within a matter of hours around 1 500 lives were lost Logan Marshall interviewed the survivors in the immediate aftermath of the disaster and in this book he recorded the facts as they were known Well established as part of the canon of Titanic literature this book is a must have for anyone with an interest in the ship and her sorrowful fate

The Sinking of the Titanic and Great Sea Disasters Logan Marshall, 2016-03-15 The Sinking of the Titanic and Great Sea Disasters is an exciting collection of first hand stories describing the catastrophe of Titanic s maiden voyage as told by its survivors shortly after the ship sank Originally written and published in 1912 Logan Marshall s book was the very first attempt to solve the mystery of the accident and relieve the heartache it stirred internationally Marshall narrates the personal stories of Titanic s passengers before during and after the sinking of the ill fated ship This book takes us back in time and forces us to understand the trauma of our ancestors from a not so comfortable distance Listen to the voices of real passengers tell their own touching stories of tragedy and see the photographs and sketches that accompany their stories Also included are records of previous great disasters of the sea descriptions of the development of safety and life saving appliances and a plain statement of causes of such catastrophes and how to avoid them Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

Sinking of the Titanic and Great Sea Disasters Logan Marshall, 1912 [The Sinking of the Titanic and Great Sea Disasters](#) Logan Marshall, 2017-08-15 Logan Marshall s book *The Sinking of the Titanic and Great Sea Disasters* gives readers a first hand account of the greatest sea disaster of all time straight from the survivors of the ill fated sunken ship Unlike many of the books about the Titanic that was written recently Logan Marshall was fortunate that he was able to interview the survivors of the Titanic and access to all the important documents about the ship including the diagrams maps and actual photographs related to the disaster With this he was able to write the best book that has a complete and accurate account of the Titanic and its tragic fate The Titanic as most people know was the biggest ocean liner during her time and was hailed as unsinkable by the company which made it Officially known as the RMS Titanic this mammoth ship can carry more than 2 000 passengers

and owned by British shipping company White Star Line The ship has a double bottomed hull and watertight compartments which make her unsinkable according to her owners But as we all know this claim was proven to be wrong when she sank in the North Atlantic during her maiden voyage Logan Marshall did well to make use of all the resources that were at his disposal Not only was he able to make detailed descriptions of the disaster he was also able to narrate them well from a human point of view without compromising any truth about the biggest sea tragedy of all time This book is a must read for anybody who s deeply interested in the Titanic and its unfortunate end The movie Titanic is now considered as a timeless classic and so is this book If you re a fan of the movie which features Leonardo Di Caprio and Kate Winslet you ll also like reading this book Logan Marshall s book *The Sinking of the Titanic and Great Sea Disasters* gives readers a first hand account of the greatest sea disaster of all time straight from the survivors of the ill fated sunken ship Unlike many of the books about the Titanic that was written recently Logan Marshall was fortunate that he was able to interview the survivors of the Titanic and access to all the important documents about the ship including the diagrams maps and actual photographs related to the disaster With this he was able to write the best book that has a complete and accurate account of the Titanic and its tragic fate

SINKING OF THE TITANIC Logan Marshall,2018-05-19 Logan Marshall s book *The Sinking of the Titanic and Great Sea Disasters* gives readers a first hand account of the greatest sea disaster of all time straight from the survivors of the ill fated sunken ship Unlike many of the books about the Titanic that was written recently Logan Marshall was fortunate that he was able to interview the survivors of the Titanic and access to all the important documents about the ship including the diagrams maps and actual photographs related to the disaster With this he was able to write the best book that has a complete and accurate account of the Titanic and its tragic fate The Titanic as most people know was the biggest ocean liner during her time and was hailed as unsinkable by the company which made it Officially known as the RMS Titanic this mammoth ship can carry more than 2 000 passengers and owned by British shipping company White Star Line The ship has a double bottomed hull and watertight compartments which make her unsinkable according to her owners But as we all know this claim was proven to be wrong when she sank in the North Atlantic during her maiden voyage Logan Marshall did well to make use of all the resources that were at his disposal Not only was he able to make detailed descriptions of the disaster he was also able to narrate them well from a human point of view without compromising any truth about the biggest sea tragedy of all time This book is a must read for anybody who s deeply interested in the Titanic and its unfortunate end
