Sioux And Other Native American Cultures Of The Dakotas

**United States. Congress. Senate.
Select Committee on Indian Affairs**

Sioux And Other Native American Cultures Of The Dakotas:

The Sioux and Other Native American Cultures of the Dakotas Christopher J. Hoover, 1993-10-25 The Sioux tribes are known as the Dakota Indians *Atlas of the Indian Tribes of North America and the Clash of Cultures* Nicholas J. Santoro, 2009 Atlas of the Indian Tribes of the Continental United States and the Clash of Cultures The Atlas identifies of the Native American tribes of the United States and chronicles the conflict of cultures and Indians fight for self preservation in a changing and demanding new world The Atlas is a compact resource on the identity location and history of each of the Native American tribes that have inhabited the land that we now call the continental United States and answers the three basic questions of who where and when Regretfully the information on too many tribes is extremely limited For some there is little more than a name The history of the American Indian is presented in the context of America s history its westward expansion official government policy and public attitudes By seeing something of who we were we are better prepared to define who we need to be The Atlas will be a convenient resource for the casual reader the researcher and the teacher and the student alike A unique feature of this book is a master list of the varied names by which the tribes have been known throughout history

Resources in Education , 1996-06 *Prairie Republic* Jon K. Lauck, 2012-10-11 American democratic ideals civic republicanism public morality and Christianity were the dominant forces at work during South Dakota s formative decade What In our cynical age such a claim seems either remarkably na ve or hopelessly outdated Territorial politics in the late nineteenth century West is typically viewed as a closed door game of unprincipled opportunism or is caricatured as in the classic film *The Man Who Shot Liberty Valance* as a drunken exercise in bombast and rascality Now Jon K Lauck examines anew the values we like to think were at work during the founding of our western states Taking Dakota Territory as a laboratory for examining a formative stage of western politics Lauck finds that settlers from New England and the Midwest brought democratic practices and republican values to the northern plains and invoked them as guiding principles in the drive for South Dakota statehood *Prairie Republic* corrects an overemphasis on class conflict and economic determinism factors posited decades ago by such historians as Howard R Lamar Instead Lauck finds South Dakota s political founders to be agents of Protestant Christianity and of civic republicanism an age old ideology that entrusted the polity to independent landowning citizens who placed the common interest above private interest Focusing on the political culture widely shared among settlers attracted to the Great Dakota Boom of the 1880s Lauck shows how they embraced civic virtue broad political participation and agrarian ideals Family was central in their lives as were common school education work and Christian community In rescuing the story of Dakota s settlers from historical obscurity *Prairie Republic* dissents from the recent darker portrayal of western history and expands our view and understanding of the American democratic tradition

American Indian Tribes: Tribes and traditions : Miwok R. Kent Rasmussen, Salem Press, 2000 Two volume set with brief entries for all known American Indian tribes Native America Daniel S. Murphree, 2012-03-09 Employing innovative

research and unique interpretations these essays provide a fresh perspective on Native American history by focusing on how Indians lived and helped shape each of the United States Native America A State by State Historical Encyclopedia comprises 50 chapters offering interpretations of Native American history through the lens of the states in which Indians lived or helped shape This organizing structure and thematic focus allows readers access to information on specific Indians and the regions they lived in while also providing a collective overview of Native American relationships with the United States as a whole These three volumes synthesize scholarship on the Native American past to provide both an academic and indigenous perspective on the subject covering all states and the native peoples who lived in them or were instrumental to their development Each state is featured in its own chapter authored by a specialist on the region and its indigenous peoples Each essay has these main sections Chronology Historical Overview Notable Indians Cultural Contributions and Bibliography The chapters are interspersed with photographs and illustrations that add visual clarity to the written content put a human face on the individuals described and depict the peoples and environment with which they interacted

The Dakotas Off the Beaten Path® Lisa Meyers McClintick, 2015-05-01 Tired of the same old tourist traps Whether you re a visitor or a local looking for something different let The Dakotas Off the Beaten Path show you a side of North and South Dakota you never knew existed See the house Pa built during the annual Laura Ingalls Wilder Pageant in De Smet South Dakota Excavate mammoth bones in the Black Hills or spelunk in some of the world s largest caves Dance to Norwegian fiddles at North America s largest Scandinavian festival or lose yourself in the brilliant splendor of a powwow So if you ve been there done that one too many times get off the main road and venture Off the Beaten Path
