Edward Rice

Sir Richard Burton:

Sir Richard Burton Michael Hastings, 1978 **Burton** Byron Farwell, 1988 The man who searched for the source of the Nile became the first non Moslem to visit Mecca and translated the Arabian nights among other adventures *The true life of Capt Georgiana M. Stisted*, 1896 Burton Byron Farwell, 1963 *To the Holy Shrines* Richard Burton, 2007-02-01

Disguised as a Persian dervish Sir Richard Burton 1821 1890 set out to become the first Christian to penetrate the Muslim shrines of Medina and Mecca a reckless stunt that would have resulted in his being executed if discovered Endlessly observant amused boastful and engaging Burton here describes his time in Cairo including a memorable drinking contest with a ferocious Albanian mercenary captain his crossing of the Red Sea in a crazily overloaded pilgrim boat and his arrival in the fabled Nejd Great Journeys allows readers to travel both around the planet and back through the centuries but also back into ideas and worlds frightening ruthless and cruel in different ways from our own Few reading experiences can begin to match that of engaging with writers who saw astounding things Great civilisations walls of ice violent and implacable jungles deserts and mountains multitudes of birds and flowers new to science Reading these books is to see the world afresh to rediscover a time when many cultures were quite strange to each other where legends and stories were treated as facts and in which so much was still to be discovered The Life of Sir Richard Burton Thomas Wright, 1906 **Wanderings in Three Continents** Sir Richard Francis Burton, 1901 **The Life of Sir Richard Burton** Thomas Wright, 2023-09-18 In The Life of Sir Richard Burton by Thomas Wright readers are invited into the fascinating world of one of the most complex and intriguing figures of the 19th century Wright presents a detailed account of Burton s life focusing on his pioneering travels controversial beliefs and literary achievements The book s narrative style is engaging and informative offering a mix of biography travelogue and cultural analysis that sheds light on Burton s contributions to exploration and ethnography Wright s meticulous research and insightful commentary make this biography an essential read for anyone interested in Victorian literature and the history of travel writing Thomas Wright a respected biographer and historian brings a nuanced understanding of Burton s life and legacy to this work His expertise in the Victorian era and literary figures such as Burton shines through in the rich and detailed account he provides I highly recommend The Life of Sir Richard Burton to readers who enjoy biographies travel literature and 19th century history Wright s masterful storytelling and thorough exploration of Burton s life make this book a valuable addition to any library Burton of Arabia Seton Dearden, 1937 The Life of Sir Richard Burton Thomas Wright, 2003-01-01 **Paths Without Glory** James L. Newman, 2009-12-31 Few people have garnered so much enduring interest as Sir Richard Burton A true polymath Burton is best known today for his translations of the Kama Sutra and Arabian Nights Yet Africa stood at the center of his adult life The Burton Speke expedition 1856 59 that put Lake Tanganyika on the map led to years of controversy over the source of the White Nile From 1861 to 1864 Burton served as British consul in Fernando Po and traveled widely between Ghana and Angola He wrote prodigiously and

contributed some of the first detailed ethnographic accounts of Africa's peoples. In many ways however Africa proved to be Burton's undoing. Injuries and sickness sapped his strength, he made enemies in high places and ironically even the discovery of Lake Tanganyika worked to his disadvantage. Increasingly frustrated and bitter, he turned to alcohol as a frequent remedy. In this fascinating story of the relationship between a man and a continent, geographer James L. Newman provides an intimate portrait of Burton through careful examination of his journals and biographers' rich analyses. Delving deepest into Burton's later life and travels, Newman pinpoints the thematic mainstays of his career as a diplomat and explorer, namely his strong advocacy of aggressive imperial policies and his belief that race explained crucial human differences. Historians and scholars of the golden age of empire as well as armchair adventurers will not only discover what defined this famously enigmatic figure but venture themselves into the heart of mid-nineteenth century Africa. *The Devil Drives* Fawn McKay Brodie, 1984. Brilliant. Brodie's scholarship is wide and searching and her understanding of Burton and his wife both deep and wide. She writes with clarity and zest. The result is a first-class biography of an exceptional man. J. H. Plumb, New York Times Book Review. *Sir Richard F. Burton* James A. Casada, 1990. *An Annotated Bibliography of Sir Richard Francis Burton*, K. C. M. G. Norman Mosley Penzer, 1923. *The True Life of Capt. Sir Richard F. Burton* Georgiana M. Stisted, 1897. **Captain Sir Richard Francis Burton** Edward Rice, 2001-06-07. A New York Times best seller when it was first published. Rice's biography is the gripping story of a fierce, magnetic and brilliant man whose real-life accomplishments are the stuff of legend. Rice retraces Burton's steps as the first European adventurer to search for the source of the Nile, to enter disguised the forbidden cities of Mecca and Medina and to travel through remote stretches of India, the Near East and Africa. From his spying exploits to his startling literary accomplishments, the discovery and translation of the Kama Sutra and his seventeen-volume translation of *Arabian Nights*, Burton was an engrossing larger-than-life Victorian figure. And Rice's splendid biography lays open a portrayal as dramatic, complicated and compelling as the man himself. **The Real Sir Richard Burton** Walter Phelps Dodge, 1907. [The Life of Sir Richard Burton](#) Thomas Wright, 2020-03-23. Sir Richard Burton, the famous traveller, linguist and anthropologist, the Arabian Knight, the last of the demi-gods, has been very generally regarded as the most picturesque figure of his time and one of the most heroic and illustrious men that this blessed plot, this England, this mother of heroes ever produced. *The Highly Civilized Man* Dane Kennedy, 2005-09-30. Though best known as an adventurer who entered Mecca in disguise and sought the source of the White Nile, Richard Burton contributed so forcefully to his generation that he provides us with a singularly panoramic perspective of the Victorian world. This book is an important contribution to our understanding of a remarkable man and a crucial era. **Sir Richard Burton** Michael Hastings, 1978-01-01.
