Sisters Star Quality:

The Hollywood Sisters: Star Quality Mary Wilcox, 2009-03-25 Fashionista Comedian Thief Brand new school brand new me Try again Having a famous sister doesn't make me special at my posh Beverly Hills academy But I am getting a lot of attention Photos are disappearing faster than MTV swag bags from my classmates lockers and blaming the new girl is the reaction du jour I can't bother my almost boyfriend Jeremy with my problems and solving Project Photo Frame Up is only one of them The rest of my schedule convincing my friends that I'm not a kleptomaniac helping Eva nail her Serious Actress audition and doing Jeremy a favor that makes my brain hurt Is a Hollywood ending in sight Not Even Close **Premiere** Melody Carlson, 2010-06-22 A recipe for success or a design for disaster Although they're sisters Paige and Erin Forrester are like oil and water night and day denim and silk Paige is an outgoing fashionista who loves to be the center of attention while Erin is more comfortable sporting vintage garb and recording the action around her When a near disaster turns into the opportunity of a lifetime these two very different sisters are given the chance to star in their own fashion TV show A guest spot on a hot teen reality series and their first big red carpet assignment give this unlikely partnership plenty of room for success and even more for failure *The Humptons* Amanda M Arnold, 2017 *The Humptons* is an entertaining tale of the inhabitants of two rival villages It follows the lives of a number of the village members including the rumbustious titled owners of an ancient estate a butler and his eastern mail order bride several upright ladies and some not so upright a professor an artist and even a retired Brigadier The book makes for perfect light reading and has a fun entertaining atmosphere to it *The Humptons* takes a fond look at life in a village community touching on the many happenings and relationships that take place in a rural setting However it is not all sweetness and happiness darker events play their part too in a disappearing way of life **Sisters and Husbands** Amanda Brookfield, 2024-12-12 No one gets to the heart of human relationships quite so perceptively as Brookfield *The Mirror* Ever since the death of their father twenty years before beautiful thirty-two year old Anna has acted as her younger sister Becky's support playing the peace maker in her stormy relationship with their mother and counselling her through the traumas of a life that has always appeared charmless and problematic in comparison to her own Now married to wealthy handsome David Lawrence with a luxurious country home and a successful career in broadcasting Anna's good fortune looks set to continue But when she unexpectedly falls pregnant and Becky's marriage runs into trouble the door to the sisters' past suddenly swings open exploding all their long held perceptions both of each other and themselves Perfect for fans of Erica James Elizabeth Noble Joanna Trollope and Anita Shreve Amanda Brookfield gets to the heart of what it means to be a family and the power of sibling love What readers are saying about Amanda Brookfield Loved everything about this book The plot the characters even the language Wonderful This is the first book I have read written by Amanda Brookfield and she is now my favourite author A beautifully written book that is perfection in every way simply my favourite book of all time I could not praise it higher Packed with suspense I actually held

my breath during some of the scenes and full of relatable characters this book will draw you in from the first page Highly recommend I absolutely loved this book At times I found myself holding my breath it was so tense and so well written I felt so involved in this story that I found myself thinking about it a lot during the day A fantastic read Gripping moving characters you care about highly recommend Praise for Amanda Brookfield An engaging emotionally charged and intriguing story Michelle Gorman Unputdownable Perceptive Poignant I loved it bestselling author Patricia Scanlan on Before I Knew You If Joanna Trollope is the queen of the Aga Saga then Amanda Brookfield must be a strong contender for princess Oxford Times

Plus One Claire Fordham,2005 A tale of Tinseltown insanity and one woman s journey from Hollywood Nobody to somebody in her own right *Sins of the Sisters* Faith A. Keahey,2017-09-05 One winters day during the Great War two adorable little girls watched out the window of the landing between the first and second floors of the three story brick Victorian home From their perch they could see the American soldiers struggle with a steel gray metal box against the fierce Chicago wind The children tried to be as invisible as possible as the men entered the house and deposited the military casket in the front parlor They had overheard the servants and knew inside the coffin was the body of Uncle John This day was the beginning of the end Albert Meyers had been quick to put his old life as Augie Steinmetz of Germany behind him Ill gotten money had gained him the education he lusted after as though it were a seductive woman Before long he was living his American dream in the stately home situated in the elite South Shore Drive neighborhood With Attorney at Law tacked on the end of his name he had married the frail Harriet the most beautiful woman he had ever met Soon two daughters Molly and Sally completed his perfect world Unfortunately for his wife and the two darling little girls Albert paid for his sins with his own life Over the next decade it seemed the family was cursed By the time the stock market crashed in 1929 only the daughters and two of their domestics had survived to tell the story Even the stately brick home was reduced to rubble and ashes Molly continued to step in one mud puddle after another as she struggled to fight off the wolves in sheeps clothing that hid around every corner and lurked behind every bush She rationalized there must be gods and goddesses somewhere in the heavens playing games with peoples lives Sometimes you won the trophy and sometimes you were the prize Her enemies often made the mistake of assuming Molly was nave She was young and inexperienced but she was extremely intelligent and tenacious and would go to any length to protect the people and the things she loved She had no equal when it came to dispersing justice and extracting revenge that is to say except possibly her sisters When Molly looked for a quiet place to lick her wounds she settled on the small mountain community of Brown Bear City She quickly learned there were no walls strong enough to keep away pain and sorrow but she had a valuable weaponshe was wealthy You will get caught up in Mollys colorful life and become endeared to the people she collects along lifes pathway You may well agree with her assessment some people just deserve to die *Eve'S Sisters* Jayne P. Bowers,2012-04-11 In this compilation of essays demonstrating the application of psychological and spiritual principles to the women of the Bible the reader will soon see the similarities

between the lives of Biblical women and those of today Just like 21st century Eves some are wise brave and faithful and others are conniving imprudent and downright disagreeable Then and now women struggle with emotions relationships and personal choice as they navigate their way through life Eve and her sisters felt apprehension jealousy and self doubt And like us many squared their shoulders and faced their fears head on With its themes of love faith individuality and fulfillment the Bible can actually be seen as a self help book Dont underestimate the power of these women who lived generations ago to reach across time and culture to touch our lives A semi retired educator with a background in psychology Jayne is the author of four blogs and has published articles stories in Guideposts The Petigru Review and two LDS magazines the Liahona and the Ensign She has also written two books Human Relations in Industry and Musings of a Missionary Mom *The Hollywood Sisters: Caught on Tape* Mary Wilcox,2009-02-19 JEREMY ALEX HEATHCLIFF Now that we re living in Hollywood Eva thinks anything is possible including casting the part of my boyfriend As for the players one s an actor bad sign one s a snobby rich kid worse sign and one doesn t even exist stop sign Guess who my sister picked **Bloodshed At the Buzza Greeting Card Company** Mary H Steenson,Zora M Steenson,2018-06-12 Cracked and curled with age it was almost impossible to identify the figures in the dark glossy photograph One of the young women in artist smocks and french berets had to be Zora Taken at The Buzza Greeting Card Company where she started working when she was seventeen it was found among the lifetime of art work piled in her basement We pressed the photo for weeks under a pile of heavy books then scanned it enlarged the image repaired it as best we could Amid the Buzza cards and images tacked on a velvet draped wall the two figures at work on drawing boards became more distinct The desperate story of that time and that place began to emerge Serena Williams The New York Times Editorial Staff,2018-12-15 Tennis star Serena Williams burst into the spotlight when she was fourteen years old and has fascinated tennis fans and the general public ever since Though undeniably known by many for being one of the greatest tennis players of all time she is almost as famous for her role in the fashion world and her willingness to speak out on social and political issues that are important to her This volume traces Serena Williams s life on and off the court to enable readers to understand the many sides of this fascinating public figure
