Six Days Jeremy Bowen,2013-12-03 A fast paced hour by hour narrative of the 1967 war the most gripping military tale since the fall of France in the Second World War Daily Telegraph The ongoing tensions between Israel and Palestine are a complex and bloody legacy all stemming from six days of war in 1967 In this rigorous and original piece of modern history Jeremy Bowen not only sheds new light on one of the key conflicts of the twentieth century but also explains much about the Middle East and the problems it faces today After the state of Israel emerged from war in 1948 both sides knew more battles were coming In June of 1967 years of slow burning tension exploded In six extraordinary days Israel destroyed the armed forces of Egypt Jordan and Syria But far from bringing peace their stunning victory turned into a curse From the initial battle order issued to the Israeli air force on June 5 1967 to the final ceasefire on the evening of Saturday the 10th the Six Day War was a riveting human drama Building on original research and his own experience as a Middle East Correspondent Bowen presents a compelling new history of the conflict Interweaving testimonies of combatants from all sides Six Days vividly recreates the

bullying and brincksmanship that led four nations to war **The Six Day War** Guy Laron,2017-02-21 The author of *Origins of the Suez Crisis* makes us look afresh at the events that led to conflict between Israel and its neighbors *Financial Times* One fateful week in June 1967 redrew the map of the Middle East Many scholars have documented how the Six Day War unfolded but little has been done to explain why the conflict happened at all Now historian Guy Laron refutes the widely accepted belief that the war was merely the result of regional friction revealing the crucial roles played by American and Soviet policies in the face of an encroaching global economic crisis and restoring Syria's often overlooked centrality to events leading up to the hostilities The Six Day War effectively sowed the seeds for the downfall of Arab nationalism the growth of Islamic extremism and the animosity between Jews and Palestinians In this important new work Laron's fresh interdisciplinary perspective and extensive archival research offer a significant reassessment of a conflict and the trigger happy generals behind it that continues to shape the modern world Challenging well worth reading *Moment* A penetrating study of a conflict that although brief helped establish a Middle Eastern template that is operational today The author looks beyond Cold War maneuvering to examine the conflict in other lights Readers with an interest in Middle Eastern geopolitics will find much of value *Kirkus Reviews* **The Soviet Union and the June 1967 Six Day War** Yaacov Ro'i,Boris Morozov,2008 Why did the Soviet Union spark war in 1967 between Israel and the Arab states by falsely informing Syria and Egypt that Israel was massing troops on the Syrian border Based on newly available archival sources *The Soviet Union and the June 1967 Six Day War* answers this controversial question more fully than ever before Directly opposing the thesis of the recently published *Foxbats over Dimona* by Isabella Ginor and Gideon Remez the contributors to this volume argue that Moscow had absolutely no intention of starting a war The Soviet Union's reason for involvement in the region had more to do with enhancing its own status as a Cold War power than any desire for particular outcomes for Syria and Egypt In addition to assessing Soviet involvement in the June 1967 Arab Israeli Six Day War this book covers the USSR's relations with Syria and Egypt Soviet aims U S and Israeli perceptions of Soviet involvement Soviet intervention in the Egyptian Israeli War of Attrition 1969 70 and the impact of the conflicts on Soviet Jewish attitudes This book as a whole demonstrates how the Soviet Union's actions gave little consideration to the long or mid term consequences of their policy and how firing the first shot compelled them to react to events *Six-Day War 1967* Shlomo Aloni,2019-06-27 On one day in June the balance of air power in the Middle East was turned upside down by perhaps the most ruthlessly effective air superiority campaign in history Operation Moked or Focus In 1967 the Israeli Air Force was outnumbered more than two to one by the jets of hostile Egypt Syria Jordan and Iraq Operation Focus was Israel's ingenious strike plan to overturn the balance At 0745hrs on June 6 Israeli jets hit Egypt's airfields simultaneously first bombing runways and then strafing aircraft Another 20 follow up missions were already in the air initially scheduled to hit every five minutes This new history of Operation Focus explains how the concept for Focus was devised and meticulously planned the astonishing rate of serviceability and turnaround speed

it required from ground crews and how the relentless tempo of strikes shattered one air force after another It is the story of how Israel's victory in the Six Day War began with a single shocking day **The Six Days War**, 1967 Beskriver seksdageskrigens baggrund forløb og umiddelbare konsekvenser set fra israelsk side Herunder truslen mod Israels eksistens israelsk flåde og luftvåbens rolle og kampend som afgørende faktor Bidrag af daværende premierminister Levi Eshkol forsvarsminister Moshe Dayan og generalstabschef Rav Aluf Yizhak Rabin The Victory Refa'el Bashan, Ohad Zemorah, 1968 *Six Years - Six Days* Moshe A. Gilboa, 1969 **The June 1967 Arab-Israeli War Volume 1** E R Hooton, 2022-03-15 In June 1967 Israel which seemed on the verge of being annihilated by its Arab neighbors took six days to redraw the strategic map in one of the most dramatic reversals of fortune in modern times This volume provides a mass of new information and new insight into the conflict using both Israeli and Arab sources **The Six-Day War and Israeli Self-Defense** John Quigley, 2012-12-17 The war of June 1967 between Israel and Arab states was widely perceived as being forced on Israel to prevent the annihilation of its people by Arab armies hovering on its borders Documents now declassified by key governments question this view The UK USSR France and the USA all knew that the Arab states were not in attack mode and tried to dissuade Israel from attacking In later years this war was held up as a precedent allowing an attack on a state that is expected to attack It has even been used to justify a preemptive assault on a state expected to attack well in the future Given the lack of evidence that it was waged by Israel in anticipation of an attack by Arab states the 1967 war can no longer serve as such a precedent This book seeks to provide a corrective on the June 1967 war **The Apocalypse Explained, According to the Spiritual Sense** Emanuel Swedenborg, 1871 **1967** Tom Segev, 2024-09-04 A marvelous achievement Anyone curious about the extraordinary six days of Arab Israeli war will learn much from it The Economist Tom Segev's acclaimed works *One Palestine Complete* and *The Seventh Million* overturned accepted views of the history of Israel Now in 1967 a number one bestseller in Hebrew he brings his masterful skills to the watershed year when six days of war reshaped the country and the entire region Going far beyond a military account Segev recreates the crisis in Israel before 1967 showing how economic recession a full grasp of the Holocaust's horrors and the dire threats made by neighbor states combined to produce a climate of apocalypse He depicts the country's bravado after its victory the mood revealed in a popular joke in which one soldier says to his friend Let's take over Cairo the friend replies Then what shall we do in the afternoon Drawing on unpublished letters and diaries as well as government memos and military records Segev reconstructs an era of new possibilities and tragic missteps He introduces the legendary figures Moshe Dayan Golda Meir Gamal Abdul Nasser and Lyndon Johnson and an epic cast of soldiers lobbyists refugees and settlers He reveals as never before Israel's intimacy with the White House as well as the political rivalries that sabotaged any chance of peace Above all he challenges the view that the war was inevitable showing that a series of disastrous miscalculations lie behind the bloodshed A vibrant and original history 1967 is sure to stand as the definitive account of that pivotal year A masterful history Foreign Affairs

The June 1967 Arab-Israeli Six-Day War Tom Cooper, Efim Sandler, 2024-01-20 In June 1967 Israel which seemed on the verge of being annihilated by its Arab neighbors took six days to redraw the Middle Eastern strategic map in one of the most dramatic reversals of fortune in modern times The success was over a decade in the making following the Suez Crisis with the Israeli forces being radically changed to create an army and air force upon which the country would rely when it became obvious the international community would take no action to implement guarantees made after the events of 1956 The Israeli forces were honed in low level clashes during the 1960s notably the Water Wars which the Israelis did so much to provoke By contrast the Arab forces became complacent largely due to supplies of arms from the Warsaw Pact states With proper training this complacency could have been turned into military effectiveness but the Arab forces were plagued by internal rivalries and high commands too often depending upon politically reliable officers rather than those who were militarily effective The Egyptian forces were further undermined by their commitment to the debilitating Yemen Civil War which meant they were in no condition to confront Israel Syria and Jordan whose forces could not fight the Israelis alone complained loudly about President Nasser s lack of action against Israel Nasser s decision in early 1967 to regain the prestige he had lost since the heady days of the Suez Crisis with a demonstration in the Sinai Peninsula was interpreted by the Israelis as preparations for an invasion Nasser did nothing to persuade them otherwise and when it was clear the international community would do nothing the Israelis decided to strike Egypt and in turn Syria and Jordan The Israeli campaign was heralded by a massive surprise air attack first on the Egyptians and then on the other neighboring states and ground offensives then followed in succession Volume 1 of *The June 1967 Arab Israeli Six Day War* provides an in depth background to the long running confrontation between Arab and Jew in the Middle East a detailed overview of the rival air forces that would become embroiled in the conflict and an account of the opening Israeli air strikes against Egyptian targets This volume is illustrated throughout with original photographs and includes specially commissioned full color aircraft profiles *Chapters XI-XII* Emanuel Swedenborg, 1915 *Background of the Six-day War* Jan Dziedzic, Tadeusz Walichnowski, 1969 **The Other Side of War** Katharine Prescott Wormeley, 1889 Letters Wormeley wrote while a hospital volunteer caring for wounded soldiers during the peninsular campaign of the Civil War in 1862 **The Sixties in America: School desegregation-Zappa, Frank** Carl Singleton, Rowena Wildin, 1999 Contains alphabetically arranged entries that survey the events and people of the 1960s discussing their impact on the life and culture of the United States
