Six Gun Song:

Six-gun Song Orlando Rigoni, 1967 The Captain and the Kid: Another Imaginary Tale from Margaritaville Gary Bunch, II (Also Known As "Gary Buffett" on the Internet), 2012-09 In this Parrothead themed novel story teller Jimmy Buffett's music drives the protagonist Gerry Boon II via a haunted radio in his hotrod Chevy Corvette convertible New to the ways of the world Boon would NEVER know that a girl liked him unless she came right up to him and planted a big old smooch on him Even then he might NOT still know if she liked him or not The Man in Song John M. Alexander, 2018-04-10 There have been many books written about Johnny Cash but *The Man in Song* is the first to examine Cash's incredible life through the lens of the songs he wrote and recorded Music journalist and historian John Alexander has drawn on decades of studying Cash's music and life from his difficult depression era Arkansas childhood through his death in 2003 to tell a life story through songs familiar and obscure In discovering why Cash wrote a given song or chose to record it Alexander introduces readers anew to a man whose primary consideration of any song was the difference music makes in people's lives and not whether the song would become a hit The hits came of course Johnny Cash sold more than fifty million albums in forty years and he holds the distinction of being the only performer inducted into the Rock and Roll Hall of Fame the Country Music Hall of Fame the Songwriters Hall of Fame and the Gospel Music Hall of Fame *The Man in Song* connects treasured songs to an incredible life It explores the intertwined experience and creativity of childhood trauma It rifles through the discography of a life Cash's work with the Tennessee Two at Sam Phillips's Sun Studios the unique concept albums Cash recorded for Columbia Records the spiritual songs the albums recorded live at prisons songs about the love of his life June Carter Cash songs about murder and death and addiction songs about ramblers and even silly songs Appropriate for both serious country and folk music enthusiasts and those just learning about this musical legend *The Man in Song* will appeal to a fan base spanning generations Here is a biography for those who first heard *I Walk the Line* in 1956 a younger generation who discovered Cash through songs like his cover of Trent Reznor's *Hurt* and everyone in between **Movie Song Catalog** Ruth Benjamin, Arthur Rosenblatt, 2024-10-17 This is an exhaustive reference volume to the thousands of songs songwriters and performers in 1 460 American and British films musical and nonmusical since the advent of the talkie in 1928 Listed alphabetically by film title each entry provides full production information on the movie including the country of origin year of release running time director musical director musical score studio producer orchestra or bands featured music backup vocalist dubber who sang on the soundtrack and performers Each song title in the main entry is followed by the name of the performer lyricist composer and when appropriate arranger Your Coach Awaits Vee Bdosa, 2012 Vee Bdosa Pronounced Buh Dosa has been part of the US Military world for over half a century During those years he has travelled or been transferred between such places as Poitiers France Spain Germany Italy Greece and most of her neighboring Islands through the Suez Canal twice played softball in Eritrea and Aden BCC now called something else all over the Caribbean Islands and

even a few select United States cities It is from these adventures that his poetry comes from and specifically from a beautiful little town called Doylestown Pennsylvania It would be impossible for Vee Bdosha to even recall all of the thousands and thousands of people he has interacted with and each one of them is special Each place is special and each adventure though seemingly unbelievable at times was also special and unforgettable The most special event in the life of Vee Bdosha is being a citizen of the United States of America although much of his poetry is about Paris France where he became the poet Vee Bdosha *He Was Some Kind of a Man* Roderick McGillis,2011-04-08 *He Was Some Kind of a Man* Masculinities in the B Western explores the construction and representation of masculinity in low budget western movies made from the 1930s to the early 1950s These films contained some of the mid twentieth century s most familiar names especially for youngsters cowboys such as Roy Rogers Hopalong Cassidy and Red Ryder The first serious study of a body of films that was central to the youth of two generations *He Was Some Kind of a Man* combines the author s childhood fascination with this genre with an interdisciplinary scholarly exploration of the films influence on modern views of masculinity McGillis argues that the masculinity offered by these films is less one dimensional than it is plural perhaps contrary to expectations Their deeply conservative values are edged with transgressive desire and they construct a male figure who does not fit into binary categories such as insider outsider or masculine feminine Particularly relevant is the author s discussion of George W Bush as a cowboy and how his aspirations to cowboy ideals continue to shape American policy This engagingly written book will appeal to the general reader interested in film westerns and contemporary culture as well as to scholars in film studies gender studies children s literature and auto biography **Wanted Dead Or Alive** Richard Aquila,1996 Following Richard Aquila s introduction which examines the birth and growth of the pop culture West in the context of American history noted expects explore developments in popular western fiction major forms of live western entertainment trends in western movies and television shows images of the West in popular music and visual images of the West in popular art and advertising
