

A detailed landscape painting. In the background, a large, snow-capped mountain peak rises against a pale blue sky. The middle ground features a river flowing through a valley with steep, forested hillsides. The foreground shows a calm body of water reflecting the sky and the surrounding landscape. On the left bank of the water, there is a small camp or settlement with several tents and a small building. A large pile of logs is visible on the right bank. The overall scene is peaceful and scenic, with a focus on natural beauty and human activity in a wilderness setting.
