**the Story of Translation** Judith Woodsworth,2017-08-10 Scholars have long highlighted the links between translating and re writing increasingly blurring the line between translations and so called original works Less emphasis has been placed on the work of writers who translate and the ways in which they conceptualize or even fictionalize the task of translation This book fills that gap and thus will be of interest to scholars in linguistics translation studies and literary studies Scrutinizing translation through a new lens Judith Woodsworth reveals the sometimes problematic relations between author and translator along with the evolution of the translator s voice and visibility The book investigates the uses and abuses of translation at the hands of George Bernard Shaw Gertrude Stein and Paul Auster prominent writers who bring into play assorted fictions as they tell their stories of translations Each case is interesting in itself because of the new material analysed and the conclusions reached Translation is seen not only as an exercise and fruitful starting point it is also a way of paying tribute repaying a debt and cementing a friendship Taken together the case studies point the way to a teleology of

translation and raise the question what is translation for Shaw Stein and Auster adopt an authorial posture that distinguishes them from other translators They stretch the boundaries of the translation proper their words spilling over into the liminal space of the text in some cases they hijack the act of translation to serve their own ends Through their tales of loss counterfeit and hard labour they cast an occasionally bleak glance at what it means to be a translator Yet they also pay homage to translation and provide fresh insights that continue to manifest themselves in current works of literature By engaging with translation as a literary act in its own right these eminent writers confer greater prestige on what has traditionally been viewed as a subservient art

**Paris on the Brink** Mary McAuliffe, 2018-09-13 Paris on the Brink vividly portrays the City of Light during the tumultuous 1930s from the Wall Street Crash of 1929 to war and German Occupation This was a dangerous and turbulent decade during which workers flexed their economic muscle and their opponents struck back with increasing violence As the divide between haves and have nots widened so did the political split between left and right with animosities exploding into brutal clashes intensified by the paramilitary leagues of the extreme right Hitler Stalin and Mussolini escalated the increasingly hazardous international environment while the civil war in Spain added to the instability of the times Yet throughout the decade Paris remained at the center of cultural creativity Major figures on the Paris scene such as Gertrude Stein Ernest Hemingway Andr Gide Marie Curie Pablo Picasso Igor Stravinsky and Coco Chanel continued to hold sway in addition to Josephine Baker Sylvia Beach James Joyce Man Ray and Le Corbusier Simone de Beauvoir and Jean Paul Sartre could now be seen at their favorite caf s while Jean Renoir Salvador Dal and Elsa Schiaparelli came to prominence along with France s first Socialist prime minister Leon Blum Despite the decade s creativity and glamour it remained a difficult and dangerous time and Parisians responded with growing nativism and anti-Semitism while relying on their Maginot Line to protect them from external harm Through rich illustrations and evocative narrative Mary McAuliffe brings this extraordinary era to life
