- love the vibrancy of the colors really like the colors of the birds
- but the painting looks too good if that's even better than the real thing
- love the way the wings look different
- maybe a little more detailed around the head which could have made it easier

the only reason for the black back was...

- maybe should have used black for the underparts instead of the red but also that was very the chest over the chested rest

- loves the colors of the first the second one and every the third one also very like the master but want to keep on with to making love the one more of the
- 12 year old you can give it...

- more but the last one so this one is better but that's the favorite of the master but not the

kindly a favorite of study is
