

The background of the cover is a reproduction of an ancient Etruscan painting. It depicts a seated male figure, possibly a deity or nobleman, with a dark, patterned tunic and a red shawl draped over his left shoulder. He has a long, thin beard and is holding a long, thin object, possibly a staff or a musical instrument, in his right hand. The painting is on a light-colored, textured surface, possibly a wall or a large vase. The overall style is characteristic of Etruscan art, with bold outlines and a limited color palette.

H. LAWRENCE., For many of us DH Lawrence was a schoolboy hero Who can forget sniggering in class at the mention of *Women In Love* or *Lady Chatterley s Lover* Lawrence was a talented if nomadic writer whose novels were passionately received suppressed at times and generally at odds with Establishment values This of course did not deter him At his death in 1930 at the young age of 44 he was more often thought of as a pornographer but in the ensuing years he has come to be more rightly regarded as one of the most imaginative writers these shores have produced As well as his novels he was also a masterful poet he wrote over 800 of them a travel writer as well as an author of many classic short stories Here we publish his travel writings *Etruscan Places* Once again Lawrence shows his hand as a brilliant writer Delving into the landscapes and peeling back the layers to reveal the inner heart *D. H. Lawrence* Paul Poplawski,1996-06-24 D H Lawrence remains one of the most popular and studied authors of the 20th century This book is a comprehensive but easy to use reference guide to Lawrence s life works and critical reception The volume has been systematically structured to convey a coherent overall sense of Lawrence s achievement and critical reputation but it is also designed to enable the reader who may be interested in only one aspect of Lawrence s career perhaps even in only one of his novels or stories to find relevant information quickly and easily without having to read other parts of the text The book begins with an original biography by John Worthen one of the world s foremost authorities on Lawrence s life and work The chapters that follow provide separate entries for all of Lawrence s works except for individual poems and paintings with critical summaries discussions of characters and details of settings There is also a complete overview of Lawrence and film with the most complete listing available of film adaptations of his works and of criticism relating to them Each section of the book provides comprehensive primary and secondary bibliographical data including citations for the most recent scholarly studies Maps and chronologies further trace Lawrence s travels and his development over time **Apocalypse and the Writings on Revelation** D. H. Lawrence,2002-05-02 Edition of D H Lawrence s last book *Apocalypse* along with other writings on the Revolution **Studies in Classic American Literature** D. H. Bush D. H. Lawrence, M. L. Skinner, 2002-04-11 This is the first critical edition of *The Boy in the Bush* a novel whose unlikely genesis has been surrounded in mystery and the subject of claim and counter claim A systematic study of all the extant textual documents has revealed a process of composition and revision which qualifies the novel to be treated unequivocally as part of the Lawrence canon At Lawrence's suggestion an Australian nurse and part time author Mollie Skinner whom he had met in 1922 wrote a tale set in late nineteenth century Western Australia about a newly arrived young Englishman's reactions to Perth and the outback Lawrence's complete rewriting converted her production into an ambitious powerful novel The reading text here established eliminates all such instances of censorship and strips away the thousands of regularisings and miscopyings introduced by typists and typesetters Based on Lawrence's autograph manuscript the text meticulously incorporates his subsequent revisions in the typescripts and proofs *Paul Morel* D.
