Spon's Architects' and Builders' Price Book 2025 AECOM,2024-09-13 Compiled by AECOM the 2025 edition has been updated with the latest pricing information to help you manage your projects over the next 12 months through this challenging period of higher inflation and labour shortages It includes 20 000 prices for the most frequently specified construction items the majority with labour constants and detailed build ups All prices have been updated via comprehensive supplier engagement combined with

AECOM's market intelligence and a short term inflationary forecast to ensure you have the most accurate cost data available. Activity descriptions and build ups have been updated to reflect changes to standard specifications. Building Regulation changes, emerging practices and changing outputs. Although it suits a wide range of project sizes, this is the only price book which sets out a detailed cost base for contracts exceeding 4 000 000 in value. All the standard features you have come to expect from SPON'S ARCHITECTS AND BUILDERS PRICE BOOK are also included. Hundreds of alternative materials prices for the more unusual items. Detailed guidance on wage rates, daywork cost limits and allowances, property insurance and professional fees, plus useful formulae, design criteria and trade association addresses. Included within the inside front cover of every book is a VitalSource eBook redemption code giving one user access to the content digitally until the end of December 2025.

Spon's Architects' and Builders' Price AECOM, 2014-09-09. Recovery in construction is still on track. Business confidence is increasing but still not yet secure. Following the 18% fall in tender prices between 2008 and 2013, price levels are beginning to recover some lost ground, particularly in the residential sector and with London based projects. It is important to make sure tenders are competitive whilst minimising your risk as input material prices and labour rates continue to rise and tender prices are forecast to increase an average of 4.5% over the next 3 years, reaching the pre 2008 recession levels in 2017. Spon's Architects and Builders Price Book, compiled by AECOM, still provides the most accurate, detailed and professionally relevant construction price information for the UK. Its unique Tender Index, updated through the year, gives an ongoing reality check and allows you to adjust for changing market conditions. Although it suits a wide range of project sizes, this is the only price book which sets out a detailed cost base for contracts exceeding 3 500 000 in value. Use the access code inside the front cover of the book to get set up with internet access to this 2015 edition until the end of December 2015. We now provide SPON'S Online, a versatile and powerful online data viewing package. Major changes have been made to this 140th edition. As well as an overhaul of prices, over new items have been added. These include: New cost models for Business Parks and Data Centres; An expanded range of Kingspan roof and wall claddings; New ASSA ABBLOY sectional overhead doors including rapid opening and fabric; New ASSA ABBLOY industrial dock levellers and shelters; An increased range of Altro safety flooring and resin flooring systems; New Altro Whiterock hygiene doorsets.

Spon's Architects' and Builders' Price Book 2017 AECOM, 2016-10-26. UK construction shows its underlying strength. Tender prices have risen strongly since last year's book was compiled, increasing by around 8% and at an annualised rate of close to 10% in the last half year. Spon's Architects and Builders Price Book 2017, compiled by AECOM, still provides the most accurate, detailed and professionally relevant construction price information for the UK. Its unique Tender Index, updated through the year, gives an ongoing reality check and allows you to adjust for changing market conditions.
