Winners of an Honorable Mention from the Modern Language Association's Prize for a Distinguished Scholarly Edition
Writing to his publisher in 1813 Shelley expressed the hope that two of his major works should form one volume nearly two
centuries later the second volume of the Johns Hopkins edition of *The Complete Poetry* fulfills that wish for the first time This
volume collects two important pieces *Queen Mab* and *The Esdaile Notebook* Privately issued in 1813 *Queen Mab* was
perhaps Shelley's most intellectually ambitious work articulating his views of science politics history religion society and
individual human relations Subtitled *A Philosophical Poem With Notes* it became his most influential and pirated poem during
much of the nineteenth century a favorite among reformers and radicals *The Esdaile Notebook* a cycle of fifty eight early
poems exhibits an astonishing range of verse forms Unpublished until 1964 this sequence is vital in understanding how the
poet mastered his craft As in the acclaimed first volume these works have been critically edited by Donald H Reiman and Neil
Fraistat The poems are presented as Shelley intended with textual variants included in footnotes Following the poems are
extensive discussions of the circumstances of their composition and the influences they reflect their publication or circulation
by other means their reception at the time of publication and in the decades since their re publication both authorized and
unauthorized and their place in Shelley's intellectual and aesthetic development Subject Guide to Children's Books in

Print Supplement, 1979 *A Dictionary of Christ and the Gospels* James Hastings, 2004-10 The purpose of this dictionary
is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to
the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly
with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for
the needs of the preacher to whom Christ is everything This is first of all a preacher's dictionary The authors of the articles
have been carefully chosen from among those scholars who are or have been themselves preachers And even when the

articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church **Schwann Opus** Schwann Publications,Schwann Publications Staff,1996-09
