## **Slinky Scaly Slithery Snakes:**

**Slinky, Scaly, Slithery Snakes** Dorothy Hinshaw Patent,2001 Did you know that some snakes lie in ambush for weeks waiting for their prey to come within striking distance You d think it would be hard to survive in the wild without legs But look at snakes More than 2 500 different kinds of snakes slither and creep throughout the world They live almost everywhere on Earth except for the North and South Poles and some isolated islands Snakes come in only one shape but they come in many patterns and sizes from the two inch long thread snakes that are as skinny as the lead in your pencil to the thirty two foot reticulated python that is big enough to eat a pig or small child Kendahl Jan Jubb s lush and scientifically accurate illustrations capture these scaly predators as they hunt hide and reproduce As far back as the Garden of Eden snakes have had the power to both fascinate and repel us Their deadly simplicity is always compelling **Slinky Scaly Slithery Snakes**

Dorothy Hinshaw Patent,2003-03-01 Scientifically accurate illustrations capture some scaly predators as they hunt hide and reproduce in a book that offers facts about different varieties of snakes **Engaging Students in Academic Literacies**

María Estela Brisk,2014-07-25 The Common Core State Standards require schools to include writing in a variety of genres across the disciplines Engaging Students in Academic Literacies provides specific information to plan and carry out genre based writing instruction in English for K 5 students within various content areas Informed by systemic functional linguistics a theory of language IN USE in particular ways for particular audiences and social purposes it guides teachers in developing students ability to construct texts using structural and linguistic features of the written language This approach to teaching writing and academic language is effective in addressing the persistent achievement gap between ELLs and mainstream students especially in the context of current reforms in the U S Transforming systemic functional linguistics and genre theory into concrete classroom tools for designing implementing and reflecting on instruction and providing essential scaffolding for teachers to build their own knowledge of its essential elements applied to teaching the text includes strategies for apprenticing students to writing in all genres features of elementary students writing and examples of practice **Coral**

**Snakes** Colleen Sexton,2013-01-01 Coral snakes have bright colors to warn predators that they are poisonous Young learners will find out how these small snakes look where they live and how they hide from predators and sneak up on prey

Provided by publisher **Fabulous Fluttering Tropical Butterflies** Dorothy Hinshaw Patent,2003-04-01 Describes the

physical characteristics and behavior of various kinds of tropical butterflies **Sea Snakes** Colleen Sexton,2013-01-01 Sea snakes are skilled underwater breathers able to spit out stored saltwater with their tongues Kids will learn what these ocean

creatures look like how they swim and thrive in water and how they hunt near the ocean floor      **Awesome Snake Science!** Cindy Blobaum, 2012 From cobras and copperheads to pythons and boas all types of snakes are covered in this book of 40 science experiments art projects and games that help budding herpetologists gain a greater appreciation for these slithering reptiles Activities include making foldable fangs to learn how snakes teeth and jaws work together simulating cytotoxic snake venom while making a tasty snack using an everyday enzyme found in pineapple and mimicking the sound a rattlesnake makes using a rubber band a paper clip and an envelope Engaging simple and safe experiments teach kids about the biology of snakes such as how they use their tongues and nostrils to detect smells how they are cold blooded and sensitive to subtle changes in temperature and how they can detect the slightest vibrations or tremors Kids do not need a snake for any of the activities and will delight in all the strange snake facts and gross out projects such as Snake Stink where they create their own signature stink and test how well it repels potential predators Did you know Snakes do not need to be coiled to strike They can strike from any position even underwater Cobras and coachwhips are two of the few snakes that can move in a straight line forward while keeping their upper body raised off the ground Snake venom can actually help humans too a blood pressure medicine was developed from the venom of a Brazilian pit viper and over 60 other treatments have been created from snake venoms      **Creating Literacy-Rich Schools for Adolescents** Gay Ivey, Douglas Fisher, 2006-03-15 We know that literacy is the key to learning in school yet millions of middle and high school students lack the literacy skills they need to succeed What can educators do In *Creating Literacy Rich Schools for Adolescents* authors Gay Ivey and Douglas Fisher make a compelling case that all teachers across the content areas have a role to play in students development of literacy which they define as reading writing speaking listening and viewing Rather than focusing solely on reading instruction and the cliché that says all teachers are teachers of reading they urge teachers to incorporate rich literacy based learning experiences into their classrooms with the goal of helping students to learn and think across the curriculum With research based findings engaging examples and extensive lists of resources Ivey and Fisher encourage readers to Reexamine the materials experiences and expectations of the English language arts classroom Use strategies to improve literacy in all the content areas and seek alternatives to the traditional textbook Make independent reading an important part of students ongoing literacy development Design and use interventions that really work for struggling students and Consider the schoolwide elements professional development peer coaching leadership and assessment that should be in place to support teachers and students Essential questions provide the focus for each chapter and Quality Indicators for Secondary Literacy help readers gauge where they are on the continuum of providing a meaningful literacy experience for students *Creating Literacy Rich Schools for Adolescents* will inspire educators to take up this challenge in their own school with new confidence that the work is worthwhile and achievable Note This product listing is for the Adobe Acrobat PDF version of the book      **Gotcha for Guys!** Kathleen A. Baxter, Marcia Agness Kochel, 2006-11-30 Research indicates boys are interested in

reading nonfiction materials yet most children's librarians prefer to booktalk fiction. Offering citations for more than 1,100 books, *Gotcha for Guys* deals specifically with books to pique the interest of middle grade boys. A series of booktalks are grouped within chapters with like titles such as *Creepy Crawly Creatures*, *Disasters*, and *Unsolved Mysteries*. Action and Innovation and All Things Gross. Complete booktalks are presented in a beginning section of chapters 1-9. A second section in each of these chapters contains short annotations and talks for other books of interest, and a third section offers lists of well-reviewed titles to consider for boys. The book is enhanced with book cover art and reproducible lists for teachers and librarians.

**40 Strategies for Guiding Readers through Informational Texts** Barbara Moss, Virginia Loh-Hagan, 2016-04-05. Gaining the skills to critically read a wide variety of informational texts is more important than ever for today's K-12 students. This carefully crafted book offers 40 standards-based instructional activities that teachers can immediately put to use in the classroom. Clear rationales and step-by-step instructions are provided for implementing each strategy together with helpful classroom examples and suggested texts for different grade levels. In a large size format for easy photocopying, the book includes 44 reproducible worksheets. Purchasers get access to a Web page where they can download and print the reproducible materials. Prior edition title: *35 Strategies for Guiding Readers through Informational Texts*. New to This Edition: Now features more strategies including 16 that are completely new. Explicit links throughout to the Common Core State Standards (CCSS) and other current standards. Two additional strands of activities: Reading Closely and Discussion. Numerous new and revised reproducible tools, all downloadable.

**A to Zoo** Rebecca L. Thomas, 2018-06-21. Whether used for thematic story times, program and curriculum planning, readers advisory, or collection development, this updated edition of the well-known companion makes finding the right picture books for your library a breeze. Generations of savvy librarians and educators have relied on this detailed subject guide to children's picture books for all aspects of children's services, and this new edition does not disappoint. Covering more than 18,000 books published through 2017, it empowers users to identify current and classic titles on topics ranging from apples to zebras. Organized simply with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically, this reference applies more than 1,200 intuitive as opposed to formal catalog subject terms to children's picture books, making it both a comprehensive and user-friendly resource that is accessible to parents and teachers as well as librarians. It can be used to identify titles to fill in gaps in library collections, to find books on particular topics for young readers, to help teachers locate titles to support lessons, or to design thematic programs and story times. Title and illustrator indexes in addition to a bibliographic guide arranged alphabetically by author name further extend access to titles.
