Slipping into the Shadows Eugene Barron, 2004-08-11 In every large city there are marginal criminal types who live on the fringes of the society They are faceless ignored or feared The author had worked and lived in their East Harlem New York neighborhood Through a series of in depth interviews he attempts to give them a human face These are documentary stories capturing not just the life style of addicts prostitutes con artists and murderers but also their suffering and pain They are seen as individuals marked by abuse who show a predisposition to self destruction reinforced by their antisocial subculture Still despite a world marked by violence there is a common denominator they want what all of us desire security love and meaning in their lives Tragically unlike those of us in the straight world they lack the emotional and practical skills to find their way *Congressional Record* United States. A Thousand Naked Strangers Kevin Hazzard, 2016-01-05 A former paramedic s thrilling captivating Booklist and mordantly funny account of a decade spent as a first responder in Atlanta saving lives and connecting with the drama and occasional beauty that lies inside catastrophe In the aftermath of 9 11 Kevin Hazzard felt that something was missing from his life his days were too safe too routine A failed salesman turned local reporter he wanted to test himself see how he might respond to pressure and danger He signed up for emergency medical training and became at age twenty six a newly minted EMT running calls in the worst sections of Atlanta His life entered a different realm one of blood violence and amazing grace Thoroughly intimidated at first and frequently terrified he experienced on a nightly basis the adrenaline rush of walking into chaos But in his downtime Kevin reflected on how people s facades drop away when catastrophe strikes As his hours on the job piled up he realized he was beginning to see into the truth of things There is no pretense five beats into a chest compression or in an alley next to a crack den or on a dimly lit highway where cars have collided Eventually what had at first seemed impossible happened Kevin acquired mastery And in the process he was able to discern the professional differences between his freewheeling peers what marked each as he termed them as a tourist true believer or killer Combining indelible scenes that remind us of life s fragile beauty with laugh out loud moments that keep us smiling through the worst *A Thousand Naked Strangers* is an absorbing read about one man s journey of self discovery a trip that also teaches us about ourselves
