## **Snakes Alive:**

Snakes Alive! Janet Lambert, 1997 An introduction to various types of snakes and basic information on things such as body temperature food movement and scales as well as other information      Between Heaven and Earth Robert A. Orsi, 2005 Publisher description Explores the relationships men women and children have formed with the Virgin Mary and the saints in twentieth century American Catholic history and reflects more broadly on how people live in the company of sacred figures and how these relationships shape the ties between people on earth Author Robert Orsi also considers how scholars of religion occupy the ground in between belief and analysis faith and scholarship      **In Face of the Facts** Richard Wightman Fox, Robert B. Westbrook, Lee H. Hamilton, 2002-11-07 Recently there has been a renewed interest in moral inquiry among American scholars in a variety of disciplines This collection of accessible essays by scholars in philosophy political theory psychology history literary studies sociology religious studies anthropology and legal studies affords a view of the current state of moral inquiry in the American academy and it offers fresh departures for ethically informed interdisciplinary scholarship Seeking neither to reduce values to facts nor facts to values these essays aim to foster discussion about inquiry and moral judgment and demonstrate that moral inquiry need not be either dispassionate and value free or moralistic and preachy      *Snakes of Virginia* Donald W. Linzey, 2002 The classic field guide to snakes found in the Old Dominion now available in paperback      *American Studies* Janice A. Radway, Kevin Gaines, Barry Shank, Penny Von Eschen, 2009-03-09 American Studies is a vigorous bold account of the changes in the field of American Studies over the last thirty five years Through this set of carefully selected key essays by an editorial board of expert scholars the book demonstrates how changes in the field have produced new genealogies that tell different histories of both America and the study of America Charts the evolution of American Studies from the end of World War II to the present day by showcasing the best scholarship in this field An introductory essay by the distinguished editorial board highlights developments in the field and places each essay in its historical and theoretical context Explores topics such as American politics history culture race gender and working life Shows how changing perspectives have enabled older concepts to emerge in a different context      **Snakes** Willee Lewis, 2014-05-09 This anthology straddles the realm of contemporary storytelling regarding one man s loathed and revered co habitants snakes      **The Journal of the Bombay Natural History Society** Bombay Natural History Society, 1887
