*The Snare* Lois Mowday Rabey, 2005-08-15 Most people don't plan to have an affair And most of them think it could never happen to them Because they don't recognize the subtle danger signs they can suddenly find themselves in a dangerous relationship with devastating consequences It can start off innocently enough Someone cares enough to pay attention To look into your eyes To touch with understanding Even with the best of motives it's easy to slip gradually almost imperceptibly into the snare of an emotional or sexual entanglement In *The Snare* a frank sometimes startling book Lois Mowday Rabey gives us a clear look at the paths to sexual immorality using real life accounts of Christians who have struggled and failed She returns repeatedly to the single focus that conquers temptation a strong personal relationship with Christ And she outlines the clear guidelines in Scripture for establishing healthy relationships in today's value neutral world Rabey offers specific advice for conduct in the workplace where many affairs begin for gracefully getting out of compromising situations and for single adults whether never married widowed or divorced We shouldn't push the issue of immorality aside because we seem to be okay because we feel secure in the center of an evangelical church have daily devotions and memorize Scripture writes Rabey We can have all these right practices and more yet still fall Emotional and sexual entanglements are a snare They are so enticing so promising and they offer something that seems so good Lois Mowday Rabey helps us see them for the dangerous trap they really are And she offers help to those wanting to avoid the snare or escape its grasp Whether you work with people who struggle with this issue or you just want to protect yourself against the subtle snare of immorality *The Snare* is an invaluable resource *The Snare* Lois Mowday Rabey, 2009

*Broken Windows of the Soul* Arnold R. Fleagle, DMin, Donald A. Lichi, PhD, 2011-05-31 *Broken Windows of the Soul* The Broken Windows Theory suggests that a community can reduce crime and maintain social order when small problems are fixed promptly Alternatively minor vandalism such as broken windows left unrepaired sends the message that no one cares inviting more serious crimes Fleagle and Lichi have applied this theory to the problem of sexual temptation and moral failure *Broken Windows of the Soul* reveals the destructive nature of infidelity sexual perversion and pornography and its effect on the culture and the church Unless the cracks are quickly repaired more broken windows of the soul are soon to follow Fleagle and Lichi teach the regular practice of spiritual disciplines to transform the heart and experience deep character change Each chapter includes questions for individual or group study
