

Sniper At War

John Walter

Sniper At War:

The Sniper at War Michael E. Haskew, 2005-11 The Sniper at War looks at the impact and role of the sniper from the American Revolutionary War to the present day Haskew looks at how the art of sniping in war has become more professional and specialized with dedicated training courses and equipment Famous snipers throughout history are profiled such as Vasili Zaitsev a hero of the battle of Stalingrad with testimonies from individual snipers who took part in modern conflicts from Vietnam to Afghanistan and the Gulf from publisher description

Hunters Milo S. Afong, 2010-06-01 In the War on Terror there are no set battles The fanatical enemy adheres to no warrior code or international law Their only desire is to kill or be killed That's where the snipers of the U S Marines Army and Navy SEALs come in Here in their own words are the compelling true stories of the snipers whose sole purpose is to eliminate the enemy with a single bullet From Iraq to Afghanistan this is life and death as seen through the scope of a high powered rifle These snipers stories illustrate the mental discipline and psychological strength that they must possess to accomplish their missions the effect a sniper's skill and reputation has on the enemy and how they deal with the stark reality of their work after the target is neutralized and after a sniper returns to civilian life Part wartime chronicle part psychological exploration of the warrior mind and part exposé into a secretive brotherhood of military snipers Hunters is a must read for anyone who wants to learn the truth about war when it's fought one kill at a time Includes photographs

Snipers at War John Walter, 2017-05-30 Snipers at War is a detailed history and analysis of the equipment tactics and personalities of the sniping world from the pursuit of accuracy to the latest electronic aids to observation and ranging Technology and marksmanship from the Crimean War to the present day is examined in detail The role of the sniper was largely ignored until the Winter War of 1939-40 between Finland and the USSR showed what could be achieved by specialist marksmen Finn Simo Hyh amassed 505 kills in less than a hundred days a lesson learned by the Red Army to its cost By the Germans invasion of 1941 the Russians were prepared when the war ended in addition to men such as Vasiliy Zaytsev a Stalingrad hero with 242 accredited kills the USSR had trained more than 2000 women as snipers After 1945 the sniper's reputation declined again However the Vietnam War seemingly unending Middle Eastern conflict internal strife in Sri Lanka and ever present urban threats have given new impetus not only to sniping but also to the development of new and more effective weaponry

Out of Nowhere Martin Pegler, 2011-09-20 A full and detailed history of the military sniper from the American Civil War to the war on terror packed with first hand accounts The sniper is probably the most feared specialist warrior and the most efficient killer on the battlefield Endlessly patient and highly skilled once they have you in their crosshairs your chances of survival are slim This revised edition of Out of Nowhere provides a comprehensive history of the sniper giving insights into all aspects of their lives their training tactics equipment and the psychology of sniping are examined in the context of the major wars of modern times including the American Civil War both world wars the Vietnam War and the conflict in Afghanistan First hand accounts from veteran snipers demonstrate

their skill and extraordinary courage and show why they are still such a vital part of any war **Snipers at War** John Walter, 2017-05-30 *Snipers at War* is a detailed history and analysis of the equipment tactics and personalities of the sniping world from the pursuit of accuracy to the latest electronic aids to observation and ranging Technology and marksmanship from the Crimean War to the present day is examined in detail The role of the sniper was largely ignored until the Winter War of 1939-40 between Finland and the USSR showed what could be achieved by specialist marksmen Finn Simo Hyh amasssed 505 kills in less than a hundred days a lesson learned by the Red Army to its cost By the Germans invasion of 1941 the Russians were prepared when the war ended in addition to men such as Vasiliy Zaytsev a Stalingrad hero with 242 accredited kills the USSR had trained more than 2000 women as snipers After 1945 the sniper's reputation declined again However the Vietnam War seemingly unending Middle Eastern conflict internal strife in Sri Lanka and ever present urban threats have given new impetus not only to sniping but also to the development of new and more effective weaponry

Sniper Gina Cavallaro, Matt Larsen, 2010-09-01 Heart pounding real life tales from the military's most experienced snipers the best of the best snipers in action today Gunfights long distance shots stalking and more *American Sniper* Chris Kyle, Scott McEwen, Jim DeFelice, 2012-01-03 The #1 New York Times bestselling memoir of U.S. Navy SEAL Chris Kyle and the source for Clint Eastwood's blockbuster Academy Award nominated movie An amazingly detailed account of fighting in Iraq a humanizing brave story that's extremely readable PATRICIA CORNWELL New York Times Book Review Jaw dropping Undeniably riveting RICHARD ROEPER Chicago Sun Times From 1999 to 2009 U.S. Navy SEAL Chris Kyle recorded the most career sniper kills in United States military history His fellow American warriors whom he protected with deadly precision from rooftops and stealth positions during the Iraq War called him The Legend meanwhile the enemy feared him so much they named him al Shaitan the devil and placed a bounty on his head Kyle who was tragically killed in 2013 writes honestly about the pain of war including the deaths of two close SEAL teammates and in moving first person passages throughout his wife Taya speaks openly about the strains of war on their family as well as on Chris Gripping and unforgettable Kyle's masterful account of his extraordinary battlefield experiences ranks as one of the great war memoirs of all time

The Sniper Anthology Martin Pegler, 2011 For the first time leading Second World War authors from around the world have collaborated on a definitive anthology of the greatest snipers of the war Each author supplies full details of their chosen sniper including illustrations that have never been published before to construct a complete and varied picture of sniper warfare The biographies of these exceptional soldiers include remarkable first hand accounts of wartime service that provide a graphic insight into a sniper's lethal skill and vividly illustrate the backdrop of the war These gripping narratives will be fascinating reading for any one who is keen to learn about the role and technique of the sniper during the Second World War and go beyond the cursory treatment in existing histories The contributors include Charles Henderson writing on the myth of Major Koenig Mark Spicer on Harry Furness Martin Pegler on Vassili Zaitsev Charles Strasser on

Pavlichenko Adrian Gilbert on Sepp Allerberger Leroy Thompson on Captain C Shore Dan Mills on Private Delvin and Roger Moorhouse on Simo Haya Nigel Jones will also contribute **SELLING POINTS** Graphic descriptions of sniper engagements fought with savagery under the most atrocious conditions Superb complete biographies of leading marksmen written by leading Second World War authors **ILLUSTRATIONS** 16 pages of plates **World War II Snipers** Gary Yee, 2022-05-04 This illustrated military history reveals the untold story of WWII snipers from training and firearms to combat and field operations Though snipers played a significant role in the battlefields of World War II they are often overlooked by historians In this volume military historian and firearms expert Gary Yee offers a comprehensive and fully illustrated narrative of snipers across the major theaters of conflict Europe the Eastern Front and the Pacific Drawing on memoirs archives wartime photographs and eyewitness accounts **World War II Snipers** presents a compelling and authoritative study Each of the warring countries had its own unique methodology for selecting and training snipers They recruited hunters outdoorsmen competitive shooters and military veterans to take on this highly skilled role They were deployed to ensure battlefield dominance and instill a paralyzing fear among the enemy Yee tells the stories of these soldiers who were both admired and at times reviled by their own comrades He also includes a lengthy chapter on the sniper rifles and other equipment issued to snipers **War's Other Voices** miriam cooke, 1996-08-01 This book challenges the assumption that men write of war women of the hearth The Lebanese war has seen the publication of many more works of fiction by women than by men Miriam Cooke has termed these women the Beirut Decentrists as they are decentered or excluded from both literary canon and social discourse Although they may not share religious or political affiliation they do share a perspective which holds them together Cooke traces the transformation in consciousness that has taken place among women who observed and recorded the progress towards chaos in Lebanon During the so called two year war of 1975 76 little comment was made about those usually men in search of economic security who left the saturnalia of violence but with time attitudes changed Women became aware that they had remained out of a sense of responsibility for others and that they had survived Consciousness of survival was catalytic the Beirut Decentrists began to describe a society that had gone beyond the masculinization normal in most wars and achieved an almost unprecedented feminization Emigration the expected behavior for men before 1975 became the *sin qua non* for Lebanese citizenship The writings of the Beirut Decentrists offer hope of an escape from the anarchy If men and women could espouse the Lebanese women's sense of responsibility the energy that had fueled the unrelenting savagery could be turned to reconstruction But that was before the invasion of 1982 **Shock Factor** Jack Coughlin, John R. Bruning, 2014-10-28 From the New York Times bestselling author of *Shooter* an in depth look at the role of snipers in America's war on al Qaida in the Middle East Africa Coughlin whose 2005 autobiography *Shooter* and subsequent sniper novels achieved best seller status returns to nonfiction with this insider account of American snipers fighting Islamist terrorism and the toll that their service takes on them **Pittsburgh Tribune Review** Retired Marine sniper Jack Coughlin and

John Bruning pull back the curtain of secrecy to take an insider's look at the dark and misunderstood world of America's sniper force. Long considered the redheaded stepchildren of the infantry, snipers have been loathed by their fellow warriors called "ten-cent killers" by our media and portrayed as unbalanced psychopaths by Hollywood. Coughlin and Bruning explore the lives and careers of some of America's most effective snipers during key missions, moments and campaigns in the War on Terror. Part page-turning thriller, part deeply human drama, *Shock Factor* takes you from the streets of the modern-day Stalingrad of Ramadi to the skyscrapers of Baghdad as America's one-shot warriors fight desperate battles against all odds, find themselves at the heart of tense international incidents, stalk key enemy leaders and discover horrific human rights abuses perpetrated by our own allies. Based on extensive interviews with snipers currently on active duty, *Shock Factor*'s gripping accounts of harrowing combat, buried truths and secrets revealed could only be told by snipers to a trusted member of their own elite and cloistered brotherhood. Coughlin's exciting and gripping narratives will appeal to enthusiasts of dramatic war stories and popular military history. *Library Journal*: Beyond the realistic depictions of urban combat, the book's strength is in its in-depth discussion of the elite snipers' weapons, training and tactics. *Kirkus Reviews*: **Tommy at War**

John Sadler, 2013-05-09 2014 marks the centenary of the outbreak of the Great War, arguably the definitive conflict in the history of Europe. Never before or since has such a great swell of popular sentiment produced such a patriotic rush to arms. In the trenches and on the battlefield, British soldiers united with their allies to fight valiantly for the cause. At very great cost, they delivered Western Europe from a new Dark Age. Providing a vital insight into this pivotal period, historians John Sadler and Rosie Serdiville disclose the poignant and emotive experiences of war in the front line and behind, from men and women of every class and background. Combining rich anecdote and unique testimony, the stories of those that passed through the ordeal of war reveal remarkable tales of horror and suffering, but also the comradeship, exhilaration and adventure of the Western Front. This is the human story of the Great War, told by those who lived through it. **World War 2 and the Soviet People**

John Garrard, 1993-07-07 Selected papers from the Fourth World Congress for Soviet and East European Studies, Harrogate 1990. [American War Stories](#) Brenda M. Boyle, 2020-11-13 *American War Stories* asks readers to contemplate what traditionally constitutes a war story and how that constitution obscures the normalization of militarism in American culture. The book claims the traditionally narrow scope of war story as by a combatant about his wartime experience, compartmentalizes war, casting armed violence as distinct from everyday American life. Broadening war story beyond the specific genres of war narratives such as war films, war fiction or war memoirs, *American War Stories* exposes how ingrained militarism is in everyday American life, a condition that challenges the very democratic principles the United States is touted as exemplifying. **Sniping Rifles in World War I**

Martin Pegler, 2022-05-26 While Germany and Austria-Hungary were well equipped with sniping rifles in 1914, their Allied opponents were not. This highly illustrated volume tells the inside story of the rifles carried by snipers of all the major powers during World War I. Although military sharpshooting had existed since

the 18th century in 1914 only the German and Austro Hungarian armies fielded trained snipers armed with scoped rifles Thus upon the outbreak of World War I the Allied armies found themselves on the receiving end of a shooting war to which they had no means of response Only the Canadians brought a dedicated sniping rifle into the trenches but in small numbers For the British although production of a suitable rifle and scope were settled on quickly the establishment of sniper training was difficult and its success was mostly due to the efforts of a handful of dedicated officers The French eventually introduced a competent scoped rifle and a sniper training system as did the Italians Entering the war in 1917 the Americans experienced rifle shortages but were able to build on their pre 1914 efforts to find a suitable sniping weapon The country that suffered most grievously was Russia Russian troops fielded no snipers at all and suffered accordingly Featuring full colour artwork carefully chosen archive images and photographs of the sniping rifles and accessories used in the trenches this is the inside story of the rifles carried by snipers of all the major powers during World War I Inside the Crosshairs Col. Michael Lee Lanning, 2013-06-19 The American sniper could be regarded as the greatest all around rifleman the world has ever known At the start of the war in Vietnam the United States had no snipers by the end of the war Marine and army precision marksmen had killed more than 10 000 NVA and VC soldiers the equivalent of an entire division at the cost of under 20 000 bullets proving that long range shooters still had a place in the battlefield Now noted military historian Michael Lee Lanning shows how U S snipers in Vietnam combining modern technology in weapons ammunition and telescopes used the experience and traditions of centuries of expert shooters to perfect their craft To provide insight into the use of American snipers in Vietnam Lanning interviewed men with combat trigger time as well as their instructors the founders of the Marine and U S Army sniper programs and the generals to whom they reported Backed by hard information and firsthand accounts the author demonstrates how the skills these one shot killers honed in the jungles of Vietnam provided an indelible legacy that helped save American lives in Grenada the Gulf War and Somalia and continues to this day with American troops in Bosnia

German Literature and the First World War: The Anti-War Tradition Brian Murdoch, 2016-03-09 The period immediately following the end of the First World War witnessed an outpouring of artistic and literary creativity as those that had lived through the war years sought to communicate their experiences and opinions In Germany this manifested itself broadly into two camps one condemning the war outright the other condemning the defeat Of the former Erich Maria Remarque's *All Quiet on the Western Front* remains the archetypal example of an anti war novel and one that has become synonymous with the Great War Yet the tremendous and enduring popularity of Remarque's work has to some extent eclipsed a plethora of other German anti war writers such as Hans Chlumberg Ernst Johannsen and Adrienne Thomas In order to provide a more rounded view of German anti war literature this volume offers a selection of essays published by Brian Murdoch over the past twenty years Beginning with a newly written introduction providing the context for the volume and surveying recent developments in the subject the essays that follow range broadly over the German anti war literary

tradition telling us much about the shifting and contested nature of the war The volume also touches upon subjects such as responsibility victimhood the problem of historical hiatus in the production and reception of novels drama poetry film and other literature written during the war in the Weimar Republic and in the Third Reich The collection also underlines the potential dangers of using novels as historical sources even when they look like diaries One essay was previously unpublished two have been augmented and three are translated into English for the first time Taken together they offer a fascinating insight into the cultural memory and literary legacy of the First World War and German anti war texts

Sniper Martin Pegler, 2011-08-20 Following the success of *Out of Nowhere A History of the Military Sniper* sniper expert Martin Pegler gives us an in depth study of the emergence of American rifleman sharpshooter and sniper Pegler examines the evolution of the rifle in America from the earliest firearms of the 15th century to the highly accurate sniping rifles of the 21st century He also analyses the technological development of the rifle sighting systems and ammunition and uses contemporary accounts to describe how the use of the rifle during the Revolutionary War Civil War and the conflicts of the 20th and 21st centuries have impacted on US military history This detailed account concludes with a study of the American sniper in modern warfare including Afghanistan and the ongoing conflict in Iraq providing an overview of the march of weapons technology as well as an unusual insight into the lives and the motives of the men who used them

The Hell of War Comes Home Owen W. Gilman Jr., 2018-02-09 Owen W Gilman Jr stresses the US experience of war in the twenty first century and argues that wherever and whenever there is war there will be imaginative responses to it especially the recent wars in Afghanistan and Iraq Since the trauma of September 11 the experience of Americans at war has been rendered honestly and fully in a wide range of texts creative nonfiction and journalism film poetry and fiction These responses Gilman contends have packed a lot of power and measure up even to World War II s literature and film Like few other books Gilman s volume studies these new texts among them Kevin Powers s debut novel *The Yellow Birds* and Phil Klay s short stories *Redeployment* along with the films *The Hurt Locker* *American Sniper* and *Billy Lynn s Long Halftime Walk* For perspective Gilman also looks at some touchstones from the Vietnam War Compared to a few of the big Vietnam books and films this new material has mostly been read and watched by small audiences and generated less discussion Gilman exposes the circumstances in American culture currently preventing literature and film of our recent wars from making a significant impact He contends that Americans inclination to demand distraction limits learning from these compelling responses to war in the past decade According to Gilman where there should be clarity and depth of knowledge we instead face misunderstanding and the anguish endured by veterans betrayed by war and our lack of understanding

YouTube War Cori Elizabeth Dauber, 2009 Terrorist attacks today are often media events in a second sense information and communication technologies have developed to such a point that these groups can film edit and upload their own attacks within minutes of staging them whether the Western media are present or not In this radically new information environment the enemy no longer depends on traditional media This is the

YouTube War This monograph methodically lays out the nature of this new environment in terms of its implications for a war against media savvy insurgents and then considers possible courses of action for the Army and the U S military as they seek to respond to an enemy that has proven enormously adaptive to this new environment and the new type of warfare it enables

Sniper At War Introduction

In today's digital age, the availability of Sniper At War books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sniper At War books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sniper At War books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sniper At War versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sniper At War books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sniper At War books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sniper At War books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course

materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sniper At War books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sniper At War books and manuals for download and embark on your journey of knowledge?

FAQs About Sniper At War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sniper At War is one of the best book in our library for free trial. We provide copy of Sniper At War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sniper At War. Where to download Sniper At War online for free? Are you looking for Sniper At War PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Sniper At War. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Sniper At War are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free

download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Sniper At War. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Sniper At War To get started finding Sniper At War, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Sniper At War So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Sniper At War. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Sniper At War, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Sniper At War is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Sniper At War is universally compatible with any devices to read.
