**Heritage Rare Books & Manuscripts Auction Final Session # 683**, Reading Horizons, 1987 Craving Supernatural Creatures Claudia Schwabe, 2019-06-03 Analyzes the portrayal of German fairy tale figures in contemporary North American media adaptations *Craving Supernatural Creatures* German Fairy Tale Figures in American Pop Culture analyzes supernatural creatures in order to demonstrate how German fairy tales treat difference alterity and Otherness with terror distance and negativity whereas contemporary North American popular culture adaptations navigate diversity by humanizing and redeeming such figures This trend of transformation reflects a greater tolerance of other marginalized groups in regard to race ethnicity ability age gender sexual orientation social class religion etc and acceptance of diversity in society today The fairy tale adaptations examined here are more than just twists on old stories they serve as the looking glasses of significant cultural trends customs and social challenges Whereas the fairy tale adaptations that Claudia Schwabe analyzes suggest that Otherness can and should be fully embraced they also highlight the gap that still exists between the representation and the reality of embracing diversity wholeheartedly in twenty first century America The book's four
