Ahesha Catalano,Alexander Catalano,2011-09-15 Every married couple has their own meaningful talesand occasionally horror storiesof wedding preparation Few couples however have that time as intricately and intimately documented as Alexander and Ahesha Catalano 365 Days Until The Journey to Our Wedding details the year long journey to the Alexander and Ahesha Catalanos wedding day Every night for 365 days prior to their wedding they recorded everything they did in preparation for the wedding They chronicled all of the foolishness the things they learned about each other and the things they learned about marriage each in their own journal They considered everything from mundane details to what it would take for them to reach their golden anniversary Most importantly they wrote about all the fun they had coordinating their wedding and how much they truly adore one another But theres a twistneither of them read each others journal until after they were married Independent of each other they captured all of their emotions at each step in the process of organizing their most important

day What began as a way for them to keep everything organized for their wedding accidentally turned into something much much more important 365 Days Until The Journey to Our Wedding offered an opportunity for Alex and Esha to share all of their most intimate thoughts and fears about getting married with each other and it will encourage others in preparation for their own wedding day *Normal Instructor and Primary Plans* ,1926 Sketching Stuff Charlie O'Shields,2018-11-22 Charlie O Shields is the creator of Doodlewash founder of World Watercolor Month in July and host of the Sketching Stuff podcast Every single day for over three years he created a watercolor illustration and wrote a short essay about whatever came to mind that day and posted it on his blog These are some of the collected favorites along with some brand new musings With over 180 illustrations this book is part personal memoir and sometimes just a randomly fun romp through the sillier bits of this crazy world we all inhabit Written to take on the impossible task of inspiring creativity unleashing your inner child and instilling hope it will at the very least make you smile and touch your heart Winter Is My Middle Name Don Rayner,2017-10-09 Join Danny and his friends as they have many misadventures in a southwestern Pennsylvania steel town during the late 1950s and early 60s The story has many memorable and odd characters It was a much simpler time there were no cell phones computers or video games People still gathered around the radio to listen to Superman and Fiber Magee and Molly If they were lucky enough to have a TV it was black and white and all kitchen appliances were white There was no Internet The closest thing to Amazon was the Sears Catalog where you could order anything from a toy train to a Craftsman House Sputnik Echo and who knows what were circling the earth The local dump provided everything kids needed to keep them occupied There were areas in town that still had outhouses They were poor but didn't know it Kids could roam the neighborhood without any worries Their parents would tell them Come home when the streetlights come on If you are looking for a book like War and Peace or Moby Dick then look somewhere else This book is more like Jean Shepherd's A Christmas Story if it were a movie it would be rated G for general audiences Whether you are 12 or 112 I am sure you are going to enjoy this book as much as I enjoyed writing it **A to Zoo** Rebecca L.
