Emotional Infidelity M. Gary Neuman, 2009-06-03

What's holding you back from a great marriage? I don't believe in okay, decent or solid marriages. I'm against them, says M. Gary Neuman. I believe only in great marriages and that you should expect and reach for no less. In the last fifteen years, M. Gary Neuman, marital therapist and architect of the Sandcastles Divorce Therapy Program, has helped thousands of couples in crisis. Couples who fight, who've grown apart, who are stuck in relationships that run more on routine and rancor than love and understanding. What he's found is that contrary to popular belief, the problem is usually not poor communication. It's the failure to put most of your focus into your marriage. You've only got so much energy. Are you spending it by being emotionally unfaithful? Take a quick check. Do you send that funny e-mail to your friends at work but not to your spouse? Do you chew over all the problems on the job so thoroughly with your colleagues that by the time you get home you just don't feel like going into it all over again? Do you get a secret thrill out of flirting with coworkers, thinking it's safe because you know it's not going any further? If so, you're committing emotional infidelity and you're draining your marriage of the energy it needs to be great. Learning how to break this cycle is one of eleven secrets M. Gary Neuman shares in his provocative new book. Based on the ten-week program he's developed in his successful couples counseling practice, the book offers guidelines that are often counterintuitive, even outrageous or shocking. But they work. Dare to limit contact with members of the opposite sex. Dare to need each other. Dare to put in writing the nitty-gritty realities of a marriage plan. Dare to put your marriage before your kids or job. Dare to make love in a whole new way. Dare to change your focus, make the commitment to focus on each of the eleven secrets, ten plus one bonus secret for one week apiece, and you'll reap the rewards of a transformed marriage and a reconfirmed relationship. M. Gary Neuman's program is guaranteed to challenge you and make you reexamine the myths holding you back from true happiness and satisfaction. It will change your marriage forever.

CHIP ROCK and the FAT OLD FART Michael Daswick, 2020-01-01

The importance of the Outsider. Chip Rock has just aged out of the pathetic orphanage known as Boys Hall in the comically doleful little town of No Palms on the SoCal coast. Low on luck and opportunity, Chip sets out to find a meaningful place in the world. It's no ordinary journey. Aimless and quick with bad choices, Chip wanders into a rich tapestry of characters: the grumps at the No Palms Women's Club, the nagging neighbor Rosita right across the street, the Old Town Dog, luckless fishermen, and the pretty new girl at the bank. Never shy, Chip meets an outcast butcher named Deacon O'Dell, seemingly the embodiment of all Chip's lousy luck rolled into one person. Nonetheless, sparks set off an unlikely bond and an adventure of stunning hardships but with a remote chance for rejuvenation. *CHIP ROCK and the FAT OLD FART* tells the story of the comic and poignant friendship between 23-year-old Chip and 55-year-old Deacon and explores the glue which binds together imperfect families and flawed friendships. Author Michael Daswick is the winner of the two greatest literary awards from Columbia University. His inspiring work tackles epic themes of guilt, redemption, loss.
