that for all the money you spend on degrees there is no outline for the real world of Wall Street Nothing to help you decide what is right for you Nothing that details the skills required to be successful in one of the largest and most complex industries in the world Well there is now So You Want to Be a Fighter Chris Algieri, 2022-06-21 I hated every minute of training but I said Don't quit Suffer now and live the rest of your life as a champion Muhammad Ali Behind every goal accomplished is a journey filled with confidence success and admiration but also challenges disappointments and moments of despair But even when there are hardships unseen struggles dark times of indecision injuries and financial problems there are also moments of motivation self awareness and coping strategies to help you push through the negative to reach the positive Everyone has a story of success Everyone has a story of failure or missed opportunities So You Want to Be a Fighter collects these kinds of stories in one place told by well known and not so well known trainers boxers and MMA fighters including Chris Algieri former junior welterweight boxing champion and undefeated kickboxer You'll hear about accomplishments mishaps tears of joy and pain moments of utter frustration but also jubilation and stories about what might have been if things had gone a little bit differently If you've ever wondered what boxers and MMA fighters endure behind the scenes maybe you yearn to join them this is the book that will bring you all the different aspects to competing in a fight sport
