**Screw Your Perception** Kareem A Rashed, 2022-08-22 Basically Screw Your Perception is to remind us all that we are one How is our ego getting in the way and stopping us from listening and accepting others just as they are How can we learn to live in love and in relation with another How can we learn and understand one another What if we listened What if we allowed others to be themselves What if we let go What if we were willing to look ourselves in the mirror What if we might just be each other's reflection What if we were here to learn to show empathy to love and to accept one another Can we accept others just as they are Can we accept them even when to us what they are saying thinking or doing seems so different from what we are saying thinking or doing The big question Can we deflate our ego and stop trying to change everyone else Maybe it is about changing ourselves Maybe it is all about connection rather than division
