Social Development and the Empowerment of Marginalised Groups Debal K Singharoy, Debal K. SinghaRoy, 2001 Bringing together original contributions from scholars researchers and social activists this volume explores the initiatives strategies and potential obstacles in the way of the social development and empowerment of the marginalised in the current scenario The contributors contend that there is the need for an alternative model for sustainable self reliant and participatory development and formation of a new collective identity through civil society and social movements To illustrate these possibilities the contributors present various success stories including panchayati raj institutions worker s cooperatives women s participation in decision making processes and education through the open learning system *Social Development and the Empowerment of Marginalised Groups* Debal K. SinghaRoy, 2001-01-01 **Empowering Society** Usha

Jumani, 2006-03-06 Empowerment is an integral element of a democratic system The maturity of a democracy is directly related to the level of empowerment its citizens and institutions experience The term empowerment is used in different contexts and this book addresses this problem through a comparative analysis of three major organisational systems business government and social development The book presents a new conceptual framework for understanding the process of empowerment It combines case studies specially for this volume with secondary data and the author s first hand experience of working with development organisations The differential understanding of empowerment in various organisational contexts helps to promote cross sectoral learning and contributes to a qualitative shift in empowering society as a whole

Sociology and Social Anthropology in India Yogesh Atal, 2009 The Indian Council of Social Science Research the premier organization for social science research in India conducts periodic surveys in the major disciplines of the social sciences to assess disciplinary developments as well as to identify gaps in research in these disciplines **Non-discrimination and Equality in India** Vidhu Verma, 2011-11-17 Social Justice is a concept familiar to most Indians but one whose meaning is not always understood as it signifies a variety of government strategies designed to enhance opportunities for underprivileged groups By tracing the trajectory of social justice from the colonial period to the present this book examines how it informs ideas practices and debates on discrimination and disadvantage today After outlining the historical context for reservations for scheduled castes and scheduled tribes that began under British colonial rule the book examines the legal and moral strands of demands raised by newer groups since 1990 In addition the book shows how the development of quota policies has been significantly influenced by the nature and operation of democracy in India It describes the recent proliferation of quota demands for reservations in higher education private sector and for women and religious minorities in legislative assemblies The book goes on to argue that while proliferation of demands address unequal incidence of poverty deprivation and inequalities across social groups and communities care has to be taken to ensure that existing justifications for quotas for discriminated groups due to caste hierarchies are not undermined Providing a rich historical background to the subject the

book is a useful contribution to the study on the evolution of multiple conceptions of social justice in contemporary India

Encountering The Adivasi Question P. Bandhu, T.G. Jacob, 2019-08-01 The main problem facing most Adivasi groups in the country is displacement and loss of their own original habitats and livelihood through development projects like dams tourism and wildlife sanctuaries By generally categorising them as girijan mountain dwellers vanavasis forest dwellers or tribal with its connotations of primitive and backward or even the popular jangli wild in official parlance and in the mass media they are robbed of their identity dignity and rights as among the first peoples of this subcontinent who earlier enjoyed economic and political freedom and autonomy in the form of self rule All over India the process of uprooting indigenous people from their rich culture is on the disruption of a way of life fundamental to which is the belief that it is not the earth which belongs to man but man who belongs to the earth

Women Workers in Brick Factory Amal Mandal, 2005 The brick factory work is seasonal and the employment is contractual utterly insecure and wage is piece rated Though women workers comprise about one half of the total workforce in every factory they hail from the families that survive by working as labourer in every conceivable sense they are from lower caste and class illiterate and they are mostly wives of male factory workers While

husbands of those women are not necessarily confined to unskilled factory works women really are Women are in plethora those works which are unskilled in nature and where wage earning is comparatively low Workers after hard day s toil receive wage that is barest minimum for subsistence This is why workers are compelled to work along with other family members and as long in a day as they can Women workers and others are deprived of all statutory benefits and amenities like maternity benefits creche fixed working hour etc Even basic minimum welfare provisions like rest shed drinking water and toilet are conspicuously absent in brick factories Though owners are amassing whooping profit they have persistently ignored and evaded the welfare provisions for the workers that are applicable to the factory Given the nature of skill attainment of the workers the employment opportunity available in the unorganised sector and insipid role of trade union there seems no immediate escaping from the bondage and tethering of back bending work subsistence wage insecure job and debasing working conditions
