Social And Sexual Revolution

Anna Dobrowolska

Social And Sexual Revolution:

Social and Sexual Revolution Bertell Ollman, 1978 The author of *Alienation* extends his original approach to social theory in this discussion of Marx's view of socialism class analysis and the problem of socialist consciousness and Wilhelm Reich's contributions to the psychology of social change

Social Psychology and Human Sexuality Roy F. Baumeister, 2001 Presents a selected group of influential articles dealing specifically with the social aspects of sexuality topics covered include differences between male and female sexuality virginity harassment rape and coercion and jealousy

Sexual Revolutions G. Hekma, A. Giami, 2014-05-13 *Sexual Revolutions* explores the sexual revolution of the late twentieth century in several European countries and the USA by engaging with themes from sexual freedom and abortion to pornography and sexual variation This work discusses the involvement of youth feminism left liberalism arts science and religion in the process of sexual change

The Social History of the American Family Marilyn J. Coleman, Lawrence H. Ganong, 2014-09-02 The American family has come a long way from the days of the idealized family portrayed in iconic television shows of the 1950s and 1960s The four volumes of *The Social History of the American Family* explore the vital role of the family as the fundamental social unit across the span of American history Experiences of family life shape so much of an individual's development and identity yet the patterns of family structure family life and family transition vary across time space and socioeconomic contexts Both the definition of who or what counts as family and representations of the ideal family have changed over time to reflect changing mores changing living standards and lifestyles and increased levels of social heterogeneity Available in both digital and print formats this carefully balanced academic work chronicles the social cultural economic and political aspects of American families from the colonial period to the present Key themes include families and culture including mass media families and religion families and the economy families and social issues families and social stratification and conflict family structures including marriage and divorce gender roles parenting and children and mixed and non modal family forms and family law and policy Features Approximately 600 articles richly illustrated with historical photographs and color photos in the digital edition provide historical context for students A collection of primary source documents demonstrate themes across time The signed articles with cross references and Further Readings are accompanied by a Reader's Guide Chronology of American Families Resource Guide Glossary and thorough index *The Social History of the American Family* is an ideal reference for students and researchers who want to explore political and social debates about the importance of the family and its evolving constructions

Sexual Chaos John N. Vertefeuille, 1988-01-01 *Sex, Society, and the Making of Pornography* Jeffrey Escoffier, 2021-02-12 Hardcore pornographic films combine fantasy and real sex to create a unique genre of entertainment Pornographic films are also historical documents that give us access to the sexual behavior and eroticism of different historical periods This book shows how the making of pornographic films is a social process that draws on the fantasies sexual scripts and sexual identities of performers writers directors and editors to produce

sexually exciting videos and movies Yet hardcore pornographic films have also created a body of knowledge that constitutes in this digital age an enormous archive of sexual fantasies that serve as both a form of sex education and self help guides Sex Society and the Making of Pornography focuses on sex and what can be learned about it from pornographic representations

The Illusory Freedom Graham Heath,2013-09-24 The Illusory Freedom The Intellectual Origins and Social Consequences of the Sexual Revolution describes the profound changes in sexual attitudes and sexual behavior in Britain and other Western countries The book examines the reliability of the basis for the sexual revolution and whether its benefits outweigh the damages it has brought on society The author reviews the influence of Dr Alfred Kinsey s reports on over 12 000 humans subjects where Kinsey claims there is no normality or abnormality as regards sexual behavior The author notes that some sexual studies involved some bias the need to protect the family as an institution if society is to survive and faithfulness has its long term rewards His other findings show that no evidence points to sexual experimentation or promiscuity as causing long term happier relationships that media tends to present sexual anarchy as the norm and that guidelines for adolescent and ideals for adults should be established He notes quite interestingly that as the forces of sexual freedom are released by new regimes of generations it become more apparent that sexual freedom is an illusory freedom This book can prove interesting reading for feminists psychiatrists psychologists parents professionals and administrators of educational institutions as well as heads of public commutations and media

Polish Sexual Revolutions Anna Dobrowolska,2025-08-05 We are used to thinking that the sexual revolution of the 1960s and 1970s was an essentially Western phenomenon The surge in pornographic production effective oral contraception and new developments in fashion and popular culture all seem to be inextricably linked with a capitalist economy Yet little has still been written about the transformations of intimate lives on the other side of the Iron Curtain Was there a sexual revolution behind the Berlin Wall And if so what areas of social life did it impact Did women in the words of Kristen Ghodsee have better sex under socialism Polish Sexual Revolutions Negotiating Sexuality and Modernity behind the Iron Curtain studies the history of sexuality in state socialist Poland in its European and global contexts focusing on how communism transformed both sexual discourses and intimate practices between 1945 and 1989 It reconfigures our understanding of the sexual revolution departing from the case study of Poland to complicate the oversimplified and much misused concepts of sexual modernity and progress Engaging with the most recent scholarship on sexuality in East Central Europe and a wide range of unused primary material including visual and material sources the monograph reassesses the role played by communist states in modernising their citizens approaches to sex Contrary to the stereotype which perceives the region as lagging behind the West in sexual matters and having to catch up after 1989 the book sheds light on the ambiguous and progressive histories of state socialist entanglements with sex to showcase alternative visions of sexual liberation In so doing and by focusing on forgotten genealogies of discussions of sexuality the monograph historicises the roots of contemporary debates on sex education LGBTQ and women s rights in the region

Sex Scandals

in American Politics Alison Dagnes, 2011-09-15 From the misbehavior of President Clinton to Governor Mark Sanford's Argentinean tryst sex scandals have become a prominent feature of American public life This unique collection of essays explains why politicians elected for their leadership and promises of ethical behavior risk their career and the socio political consequences of their actions It argues that political sex scandals are distinct from other types of sex scandals because the nature of elected office is very different from civilian life The construction disgrace and aftermath of political sex scandals are examined from different academic angles including the politics of place human communication political psychology media sociology feminism and criminology The essays delve into the role of culture and geography on the political outcome of a scandal the rhetoric of apologia the psychology of risk trends and patterns in media coverage the impact on different organized interests legal ramifications and how different countries view political sex scandal This accessible work will engage anyone studying American politics political behavior political communication as well as sociological issues and the role of the media

New Sexual Agendas Lynne Segal, 2015-12-22 New Sexual Agendas tackles the urgent practical and theoretical challenges in the area of gender and sexuality Leading theorists activists and clinicians including Bob Connell Adam Sinfield Leonore Tiefer and Jeffrey Weeks encourage a creative exchange of knowledge across different research and applied perspectives This volume highlights the intensity of the feelings generated by the changes occurring in sexual and gender relations while signalling the possibilities for new strategies encompassing diversity and choice

Our Social and Sexual Revolution John R. W. Stott, 1999 A call for Christian involvement in social and sexual issues such as divorce abortion euthanasia homosexuality and AIDS

Culture, Society and Sexuality Richard Guy Parker, Peter Aggleton, 1999 This work offers an introduction to the central debates in sexuality research Among the issues examined are the social and cultural dimensions of sex human sexuality and sex research

Sociology of Sexualities Kathleen J. Fitzgerald, Kandice L. Grossman, 2024-09-02 Sociology of Sexualities is an insightful exploration of sexuality through a sociological lens offering a comprehensive understanding of sexualities and gender identities The Third Edition brings to light the current societal challenges faced by LGBTQ and reproductive rights the influence of technology on sexuality and the impact of the COVID 19 pandemic on sexual behaviors

Sexuality: A Very Short Introduction Veronique Mottier, 2008-04-24 Mottier examines the questions around what shapes our sexuality asking if it is a product of our genes or of society culture or politics The changing views of sexual norms are dealt with as are issues surrounding feminism religion eugenics and HIV AIDS

Encyclopedia of Sex and Sexuality Heather L. Armstrong, 2021-03-01 Providing a comprehensive framework for the broad subject of human sexuality this two volume set offers a context of historical development scientific discovery and sociopolitical and sociocultural movements The broad topic of sex encompassing subjects as varied as sexuality sexual and gender identity abortion and such crimes as sexual assault is one of the most controversial in American society today This two volume encyclopedic set provides readers with more than 450 entries on the subject offering a comprehensive overview of major

sexuality issues in American and global culture Themes that run throughout the volumes include sexual health and reproduction sexual identity and orientation sexual behaviors and expression the history of sex and sexology and sex and society Entries cover a breadth of subjects such as the major contributors to the field of sexology the biological psychological and cultural dimensions of sex and sexuality and how the modern day political climate and the government play a major role in determining attitudes and beliefs about sex Written in clear jargon free language this set is ideal for students as well as general readers Social Structure and Testosterone Theodore D. Kemper,1990 Explorations in the Socio Bio Social Chain

Reader's Guide to Lesbian and Gay Studies Timothy Murphy,2013-10-18 The Reader s Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report What is Sexual History? Jeffrey Weeks,2016-06-10 Until the 1970s the history of sexuality was a marginalized practice Today it is a flourishing field increasingly integrated into the mainstream and producing innovative insights into the ways in which societies shape and are shaped by sexual values norms identities and desires In this book Jeffrey Weeks one of the leading international scholars in the subject sets out clearly and concisely how sexual history has developed and its implications for our understanding of the ways we live today The emergence of a new wave of feminism and lesbian and gay activism in the 1970s transformed the subject heavily influenced by new trends in social and cultural history radical sociological insights and the impact of Michel Foucault s work The result was an increasing emphasis on the historical shaping of sexuality and on the existence of many different sexual meanings and cultures on a global scale With chapters on amongst others lesbian gay and queer history feminist sexual history the mainstreaming of sexual history and the globalization of sexual history What is Sexual History is an indispensable guide to these developments Marriage and the Family Julie Xuemei Hu,Shondrah Tarrezz Nash,2019-04-23 Marriage and the Family Mirror of a Diverse Global Society is a comprehensive text about marriage and the family in sociology family science and diversity studies The book is divided into four parts studying marriage patterns and understanding family diversity developing and maintaining intimate relationships tackling family issues and managing household crises and appreciating contemporary living arrangements in a diverse American society and across the global community Marriage and the Family is unique in its focus on diversity as well as its global perspective Diversity Overview boxes feature vignettes of family diversity in America Global Overview boxes invite students to experience family life in different areas of the world Indeed families become a mirror that helps students see a diversifying American society and a globalizing world The Quest for Sexual Health Steven Epstein,2022-03-23 Offering an entryway into the distinctive worlds of sexual health and a window onto their spillover effects sociologist Steven Epstein traces the development of the concept and parses the debates

that swirl around it Since the 1970s health professionals researchers governments advocacy groups and commercial interests have invested in the pursuit of something called sexual health Under this expansive banner a wide array of programs have been launched organizations founded initiatives funded products sold and yet no book before this one asks What does it mean to be sexually healthy When did people conceive of a form of health called sexual health And how did it become the gateway to addressing a host of social harms and the reimagining of private desires and public dreams Conjoining sexual with health changes both terms it alters how we conceive of sexuality and transforms what it means to be healthy prompting new expectations of what medicine can provide Yet the ideal of achieving sexual health remains elusive and open ended and the benefits and costs of promoting it are unevenly distributed across genders races and sexual identities Rather than a thing apart sexual health is intertwined with nearly every conceivable topical debate from sexual dysfunction to sexual violence from reproductive freedom to the practicalities of sexual contact in a pandemic In this book Steven Epstein analyzes the rise proliferation uptake and sprawling consequences of sexual health activities offering critical tools to assess those consequences expand capacities for collective decision making and identify pathways that promote social justice

Fuel your quest for knowledge with is thought-provoking masterpiece, Dive into the World of **Social And Sexual Revolution** .
