Social Foundations Of The Mass Media:

Social Foundations of the Mass Media Walter M. Brasch, Dana R. Ulloth, 2001 Social Foundations of the Mass Media is a historical examination of the intellectual debate over the extent of permissible freedom that should be allowed for the expression and discussion of conflicting ideas The treatment begins with the ancient Egyptian concepts extends through Middle Eastern writings treats the Inquisition and concludes with modern concepts in the United States Both the church and the state have long desired to repress dissident opinion fearing that their authority would be undermined They have used persecution laws the courts and public opinion to try to impose their ideas upon an unwilling population Thinkers from Aristotle to Zechariah Chafee Jr the renowned legal scholar at Harvard University and Hugo Black former Associate Justice of the Supreme Court of the United States have had much to say about the role of journalists writers and dissidents Each of their ideas and those of many others appear in the Social Foundations of the Mass Media The debate will continue well into the future but the issues that have been raised over the centuries remain central to the debate today Mass Media James B. Martin, 2002 Mass media has become an integral part of the human experience News travels around the world in a split second affecting people in other countries in untold ways Although being on top of the news may be good at least for news junkies mass media also transmits values or the lack thereof condenses complex events and thoughts to simplified sound bites and often ignores the essence of an event or story The selective bibliography gathers the books and magazine literature over the previous ten years while providing access through author title and subject indexes *Sociological Foundation of Education* Srinibas Bhattacharya, 2006 From The Dawn Of Civilization Man Has Been Marching In Search Of Wisdom Various Experiments Are Projected Through Education So That Humanity Happiness And Harmony Be Wedded Together Education Is Indispensable For Making Life And Living Meaningful And Purposive Its Significance Cannot Be Fully Appreciated Unless It Is Looked At In Proper Perspectives Philosophical Sociological And Psychological The Sociological Foundation Of Education Has Added A New Dimension To Education As An Interdisciplinary Approach Man Not Only Lives In A Society He Grows And Functions In A Social Context And Various Factors Contribute To The Growth Of An Individual Sociology Which Involves The Study Of Society Social Process And Social Change Is A Growing Science Education Can Hardly Be Separated From Society And So From Sociology School Is A Miniature Society And What Happens In A Society Also Happens In A School Situation Like Parents In A Family Teachers Take Important Roles In A School Culture Occupies A Significant Place In A Society A Community Cannot Grow Without Culture Similarly A Society Cannot Survive Without Culture As In Every Dynamic Society There Are Problems So In Every School There Are Typical Situations Teacher Has A Distinct Role As A Social Worker And Community Member Obviously Of All The Foundations Of Education The Sociological Basis Has A More Practical Bearing On Day To Day Living In The Present Book An Attempt Has Been Made To Analytically Deal With Education In Relation To Social Environment Culture Social Control Social Stratification And Social Mobility Social Change And National Integration In

studies sociology and other related disciplines **Mass Media in Sub-Saharan Africa** Louise M. Bourgault,1995-06-22

Mass Media in Sub Saharan Africa analyzes how historical political economic social cultural and stylistic factors have shaped media products in African radio television and newspapers Bourgault investigates three principal influences the pre colonial legacy of the oral tradition the presence of an alienated managerial class and the domination of African nations by systems based on political patronage The first two chapters provide the theoretical framework Subsequent chapters look at the management of the electronic media radio and television broadcasting in content and practice the history of print media and the discourse style found in the press This work provides a wealth of historical information on media systems particularly those of the former anglophone and francophone countries together with recent developments in satellite communication small systems technology and the current move toward decentralization and privatization Bourgault also considers the political shifts affecting Africa in the 1990s and offers a radical blueprint for more responsive and informative media in the sub Saharan area **Mass Media Effects Research** Raymond W. Preiss,2007 Publisher description **The Structure of Schooling** Richard Arum,Irene R. Beattie,Karly Ford,2015 This comprehensive reader in the sociology of education examines important topics and exposes students to examples of sociological research on schools Drawing from classic and contemporary scholarship the editors have chosen readings that examine current issues and reflect diverse theoretical approaches to studying the effects of schooling on individuals and society Freedom of the Press in China Yi Guo,2025-10-01 Western commentators have often criticized the state of press freedom in China arguing that individual speech still suffers from arbitrary restrictions and that its mass media remains under an authoritarian mode Yet the history of press freedom in the Chinese context has received little examination Unlike conventional historical accounts which narrate the institutional development of censorship and people s resistance to arbitrary repression Freedom of the Press in China A Conceptual History 1831 1949 is the first comprehensive study presenting the intellectual trajectory of press freedom It sheds light on the transcultural transference and localization of the concept in modern Chinese history spanning from its initial introduction in 1831 to the establishment of the People s Republic of China in 1949 By examining intellectuals thoughts common people s attitudes and official opinions along with the social cultural factors that were involved in negotiating Chinese interpretations and practices in history this book uncovers the dynamic and changing meanings of press freedom in modern China Advances in Foundational Mass Communication Theories Ran Wei,2018-02-02 Providing leading edge perspectives on the legacy theories of mass media and society this collection advances the foundational theories of mass communications which have sustained the field of study over the past fifty years Many of these contributions were originally published as a Deutschmann Scholarly Essay in the Mass Communication and Society journal and together they comprise a remarkable source of knowledge equipped to lead mass communications theory through the emergence of new technologies and the evolution of communications in the 21st century Moreover the contributions gathered in this volume

contradict any critics who may claim the theories of the 20th century have outlived their usefulness for these prove to guide contemporary research as forcefully as ever in the digital era Validating the classic media theories across time and their various forms constitute the second focal section of this volume Finally senior media scholars offer their views on the future directions in which mass communication theories can be advanced
